

Our Models

Model	CITY 2 PLUS	VISTA Power Chair	DASH Ultra-Lite Power Chair
Description	CITY 2 PLUS is our largest foldable chair and is packed with a ton of features. Its ideal for those looking for a premium product and plus sized users. A key feature of CITY 2 PLUS is its ability to be disassembled into 3 easy to load pieces. CITY 2 PLUS also offers many comforts not found in our other foldable power chairs.	VISTA provides great value for your customer. It is a stylish full-size chair with lots of power and offers a good driving experience. Its lightweight and compact folded design makes it very convenient for travel. VISTA is ideal for someone looking to use the chair often, but don't require all the bells and whistles found in the CITY 2 PLUS.	DASH Ultra Lite is our most portable power chair. It is extremely lightweight yet still offers strong and comfortable seating. DASH is ideal for customers of small to mid stature where portability of their mobility device trumps most other needs. DASH is convenient to load in and out of any vehicle and is very easy to travel with.
