KIWANIS MEETING OF November 25th, 2019

We had only eight, seven members and our speaker attend this weeks meeting. Members included Maria, Ann, Dal, Anne, Bob R, Emmett and Dave. Maria led the meeting and said the prayer while Ann led us in song. We sang My Bonnie lies over the Ocean and Wait till the sun shines Nellie. Lunch consisted of Turkey sandwiches, french fries and a salad. Anne had travel dollar for her last minute trip to North Carolina and Dal had a happy dollar for a nice weekend spent at his cottage.

Our speaker today was Brenna Nicholson from the Clean Water Council of Northeast Wisconsin. Her topic was Contamination of our Water Systems by the increased use of plastics. Plastic use is everywhere and when discarded it takes many years to breakdown. There is also a problem in washing of synthetic clothing which releases the microplastic fibers into the water system.

December 9th is our club Christmas party. Spouses and/or significant others are invited.

December 16th is either our Christmas or Holiday with the Nicolet 4th graders at Riverside. Lunch is served at 11:00Am. Try to be early for this event. Santa may or may not be invited
