

**Ulin, Karen Alice**

Karen Alice Ulin, 65, of Sandusky went home to live with our Father, Lord and Savior on Sunday, Jan. 6, 2008.

Karen was born on April 13, 1942 to be raised on a small town farm, but not to have lived an uneventful life.

She was married 45 years to the late Gene Sauer.

Widowed at 64 years old, Karen now leaves behind her five children; 12 grandchildren; and three great-grandchildren at 65.

Karen will be remembered as a gentle and kind woman that enjoyed the simple pleasures in nature's beauty, such as gardening, camping, and fishing, but ultimately her greatest joys in life were being a wife, mother and grandmother to her family, which she liked to keep close to her. Like many that leave before their time, Karen was comforted into eternal life by her daughters, Debra Logsdon, Deanna Cartwright, son, Rodney Sauer, due to the devastating complications of a stomach aneurysm.

Funeral services will be conducted at Moore Chapel Lexington Cemetery at 1 p.m. on Friday, Jan. 11, 2008. Dennis Sauer will officiate.

Memorials contributions may be sent to Debra Logsdon, P.O. Box 473, Elkton, MI 48731.
