The purpose of this illustration is to show that in 2021, the State of Israel will be, including End Date, exactly the following Day Counts on September 11, 2021.

66 Years
66 Months
666 Days

What ties this nefarious Number in Biblical terms is that it is associated with the coming of the AntiChrist, is when it occurs. This date is oddly September 11, another nefarious day associated with Calamity.

Is this coincidence? Probably not and many End Times Researchers suggest this could be a 'Sign' or prelude to how close Israel is to entering the Last Shemitah and advent of the AntiChrist, who will have this Number associated to his Name and Mark.

POSSIBLE TRIBULATION PERIOD TIMELINE?

Sep 11, 2029 - 1260 days = April 1, 2026 (midpoint)
= Passover: Daily Sacrifices are stopped, by AntiChrist, 3rd Temple, etc.

March 31, 2026 - 1260 days = October 18, 2022 (beginning)
= Shemini Atzeret: Daily Sacrifices are begun, AntiChrist revealed. 3rd Temple?

Thus, based on this model, Tribulation begins: **October 17/18, 2022?**

If calculation model is correct, then Jesus will return on His birthday. This is based on a -3 BC date on 9-11 likewise when He birthed on Earth at His 1st Advent. Now at His 2nd Advent, likewise on Feast of Trumpets. This Feast of YHVH also signifies the sequence of prophetic fulfillment. This assertion is based on the Menorah pattern of having fulfilled the 3 Spring Feasts as the Lamb of YHVH. Likewise, Jesus will then return to fulfill the Fall Feasts as the Lion of Judah. The middle Pentecost Feast was for the duration of the Church Age Gentiles to have been grafted-in. It concluded with the Rapture just before the Tribulation Period begins with the start of the Daily Sacrifices 2520-
