

Is your hope in God or in things of this world? The Apostle Paul, while in prison, and after going through tortuous ordeals speaks to us of contentment in Philippians 4:11-13, "Not that I speak from want, for I have learned to be content in whatever circumstances I am. I know how to get along with humble means, and I also know how to live in prosperity; in any and every circumstance I have learned the secret of being filled and going hungry, both of having abundance and suffering need. I can do all things through Him who strengthens me."

Are you sometimes discontent with your life as it is? Do you sometimes wish your life could be more like ____? You fill in the blank. If God never did anything else for you, would your response be one of contentment or resentment? Are you pursuing God's will for your life, or your own will?

In this 4cd set, Dr. Hohman teaches us to be encouraged and know that God will meet you where you are. And through the power of His Holy Spirit lead you where you need to be (if you let Him). No, He won't force you to do anything. Remember, being content is a learned process; a state of mind. Learn how to stay on the course, work your faith daily and realize that the journey does have a finish line...
At the end YOU win!
