STANDARD CONDITIONS FOR CONDITIONAL USE

To the Applicant: These Standard Conditions will apply to your conditional use approval. To the extent applicable, these conditions are *additional* to and supplement any specific provisions which the Planning Board may have imposed upon your approval.

1. The Applicant shall carry on the permitted activity in accordance with the description thereof in the application, and in accordance with the documentary and/or testimonial representations presented by the Applicant in connection with the proceeding. Substantial compliance with the description of the activity and representations is a condition of Approval. Any undisclosed and unapproved use of the premises (even if otherwise accessory to the approved use), or any substantial deviation from the activity or representations described in connection with this Approval shall be deemed a violation of the Land Use Ordinance, and may result in revocation of the Approval.
2. By acceptance of this Conditional Use Approval, the Applicant consents to the inspection by the Code Enforcement Officer of all non-residential areas of the premises at reasonable times (with or without prior notice) for the purpose of determining compliance with the conditions of the Approval or any provision of local, state, or federal law. This consent shall not be withdrawn unless the Applicant abandons the approved use, and notifies the Town in writing delivered to the CEO that the activity will not be resumed without a further approval by the Planning Board. Failure to allow any such inspection by the CEO may result in revocation of the Approval.
3. If the Approval is specifically conditioned upon physical improvement of the premises, obtaining of insurance, or other requirement, the activity authorized hereunder shall not be commenced until the Applicant demonstrates compliance with each of the conditions to the CEO, and receives a certificate of occupancy from the CEO evidencing that all conditions have been met. Commencement of the approved activity prior to obtaining such certification may result in revocation of the Approval. Failure to utilize or maintain such physical improvement, insurance, or other requirement thereafter may result in revocation of the Approval.
4. The Approval shall lapse and become null and void if the use authorized by the Approval is not commenced within one (1) year of the date of approval, or if the use is abandoned for a period of one (1) year thereafter. Where there is good cause for the delay, or the discontinuance, and there is no evidence of intent to abandon the use, these requirements may be extended for additional periods not to exceed one (1) year.
5. The Planning Board may schedule a hearing (upon reasonable notice to the Applicant and the public) to determine whether: there is a violation of the Approval or any the condition thereof (including those contained herein); or any other violation of any provision of local, state, or federal law. If the Board determines that a violation has occurred and is either continuing or is likely to recur, the Board may rescind this approval or take such other action to amend or modify the Approval as the Board deems appropriate to protect the public health, safety, or welfare.
