Some of the programs CAW hosts each year include:

After-school opportunities for our Mt. Hood community students, a summer internship program, faith-based summer & winter youth & family camps, young-adult retreats, and more where generations of campers have found long-lasting relationships and life-changing experiences for over 80 years

Generations of Promise Campaign

We've raised over \$1.5 million for capital improvements & strategic operating elements through the Generations of Promise Campaign (GPC) over the last 5+ years. The goals of the GPC are focused on ensuring CAW remains impactful for another 80 years by making it possible to host more people, continue offering spectacular services at reduced rates, and broaden the scope of our community impact & offerings.

This Banquet & Auction will be the “closing” event for the GPC, but fundraising will always be a necessity! Visit our website for more details about the GPC and what we have already accomplished with these funds:
