Buckhorn Skinners May 2018 Shoot

It was a rainy day in May. After several days of summer-like weather cooler temps and moisture moved into the area. A group of Skinners met up for breakfast at El Cielos Mexican Restaurant. Loyd and Ken joined us for a meal and a good visit.

Long time Skinner Deacon (Dave H.)

& Standing Moose (Carl S.)

Loyd was not able to join us for the shoot. Griz, Henry, Bloody Muzzle and me headed for the range to be shooting by 10 am. Standing Moose was up the hill evaluating conditions. We started to set up gongs on the lower range when the final word came down that we would shoot up top. Bloody Muzzle and Splinter could not join the group so the rest of us started the climb. Standing Mouse had selected the difficult targets and we shot the best that we could.

The shoot was great fun and very challenging, thanks Standing Moose!
#1 was Henry with a top score of 125
#2 was Deacon with a score of 104
#3 was Horse with a score 101

The Business meeting was called to order by Captain Bull Whacker

Treasurer's Report:

Mountain Mule reported that this year's squirrel shoot netted approximately \$700. The club is in good financial health. Recent expenses included targets for events, printer for flyers and handouts, SPVHS membership, Insurance, powder and more.

Old Business:

Bylaws review is planned for this year. Please review the current bylaws and send recommendations for change to Bloody Muzzle or Mountain Mule.

Noteworthy Items

Ren Mann is

CSMLA

Muzzle Loader of
the Year 2018

Ren Deurnyer won

the Grand

Aggregate in the
Pistol and Revolver
shoot on May 5th at
the Fort Lupton
Range.

Skidders consider

shooting the

CSMLA postal
target each month.

Targets are in the
trailer. 5 shots at 25
yards then we can
mail them in all
together with \$3.00
for each target.

Colorado Territorials:

Remember to save the dates 6/15th-17th plan to attend. Members are expected to help out and as well as shoot. The Fort Lupton club has improved the range and event experience, don't miss out.

New Business:

Charley submitted a completed application for membership. Welcome to the club! Standing Moose will be his sponsor.

SPECIAL NOTE:

Skidders please note that Horse (Dave Gilkey) has accepted a teaching position at Montana Technical College in Butte Montana and will be leaving us sometime in July for his new position.

Dave is currently the President of the CSMLA and will leave a vacancy in the State organization. Dave is also the scribe of the Buckhorn Skidders. **We need a replacement for him if we want to continue to have a newsletter and records for the Skidders business meetings.**

These duties include taking notes at the Skidders meetings after the shoots and at the Christmas Party meeting. The scribe writes up and preferably types a paragraph or two about the shoot day and interesting happenings during the shoot and the business meeting notes each month and get them to Ron Ring for the newsletter. The scribe will also keep the Skinner contact information up to date.

Two or more individuals can collaborate on this job.

Requirements: Speak English, write, type and ask for help if needed.
