

PROPHETIC 10TH RED HEIFER

POSSIBLE TIMEFRAME OF THE COMING 3RD TEMPLE DEDICATION

The purpose of this illustration is to consider the Window of Time both the Birthing of the Certified Red Heifer and the dedicated Altar of Sacrifice have in terms of effectively ushering in the next 3rd Temple 'Event' that will either lead to a Proclamation that the 3rd Temple is to be built or will be. It was rather telling that on the very Year of Israel's 70th Anniversary of being 'Re-Birthed' as a Nation in 1948, that both the Red Heifer was procured, certified and the Altar of Sacrifice was Re-Dedicated. What is left but to consider Prophetically that the case might next be that the 'Confirming the Covenant' with the 'Many'. It has to be the next stepping-stone to come perhaps, aside from the Rapture event. If this proves to be true, then what also will be spectacular to realize is that perhaps this is to mean that the 3rd Temple has got to be built or start to be built soon within this Prophetic Window of a 4 Year timeframe since August 2018. It would be in sync with the dedication of the Altar of Sacrifice and the completion of the Temple Institute's work of preparation for the Daily Sacrifices and the reconstitution of the Sanhedrin, etc.

— UPDATE —

On March 25, 2022 it was reported from Arutz Sheva Red Heifer, 'The Good News is that the Hairs have returned to Red within a few Months. At the same time, we are now looking forward to the 2-Year Birthday of 3 more Heifers that were and still are completely Red. With GOD's help and if there are no mishaps, within half a Year we have 3 Red Heifers ready for the Temple'. This Timeline makes it possible for the Dedication to start in the Fall, September to October during the Fall Feasts of YHVH.
