## BIG NEWS

There are some new and exciting details in this section of our Newsletter. Be sure to read through and as always, let us know if you have any questions.

**STUDIO MANAGER** We are thrilled to announce that our own Ms. Ashley will be helping out as the Studio Manager here at Starstruck. She will be here to help with costumes, tuition questions, classes and new registrations. She will also be helping organize Recital, studio parties and all our studio events. Ms. Ashley is over all our Starlet Classes as well as supervising all Teachers, JAMmers and Staff. Ashley has been with Starstruck for about 5 years and has incredible dance, Hip Hop and Business experience to continue to grow our Starlet Programs and our studio family.

**TUMBLING MANAGER** Another big announcement for us is that Coach Gavin has accepted the position as our Studio Tumbling Manager and will assess class placement, levels, training, staff drills, in all things related to our tumbling program. Gavin has been with Starstruck for about 10 years and has great experience in his field and we look forward to the growth he will bring to our Tumbling Program as Manager.

**COMPETITION MANAGER** We want to welcome our amazing Ms. Kaitlyn as our Competition Company Manager. Ms. Kaitlyn will be over the Competition Company Teams, competition entries, solo entries, awards management and oversight for all things related to Competitions that our Company Teams will attend. Kaitlyn has been with Starstruck for 4 years and knows the level of commitment it takes to be a competitor, a leader, an example of good and an incredible choreographer. We are so excited for the light and love and growth she will bring to all our Company Teams.

**STUDIO DIRECTOR** Ms. Brandy will remain the Studio Director and that has not and will not change. These new positions are a compliment to the amazing Team we have here at Starstruck and we know you will continue to receive the best care.

**NEW SPACE** Another new exciting announcement comes SUPER EARLY and we are beyond excited to announce that we will be moving into a NEW BUILDING!!! The move date has NOT been set and we will CONTINUE class at our existing Clearfield building until the new space is finalized. The new building will be in Clearfield off of Antelope Drive and you can rest assured that we will continue to offer you the same great service you've come to expect. Our studio family is growing and we want to expand our space to give everyone more opportunities for joining classes. Some of you have probably already experienced a full class or not able to get into the class that you want because it is already FULL. Our new space will allow the option to offer more classes, more days, more times AND give us more space for all our Starstruck friends and family. Our Clearfield space is guaranteed for the entire season (Thru June 2023) and we will continue to offer classes as we transition into our new space.

Stay tuned in for more details as we finalize our new space.

## Reminders:

- ◆ Teachers will NOT allow students to run out into the parking lot to meet you. Please pull up along the side of the studio sidewalk to pick up your children.
- ◆ Please encourage your children to bundle up in the evenings when leaving the studio. Keep your muscles protected from the chill after a hard workout in classes. A quick sweatshirt and some pull-on sweats will do the trick.
- ◆ Street shoes are NOT allowed on the dance floors. If you are in a Hip Hop Class that requires you to wear Tennis Shoes, please be sure to bring a CLEAN pair that is not full of rocks and debris from the weather and outdoor elements.
- ◆ Please pick up your students on time.
- ◆ Please do not drop off more than 10 minutes early. Remind your students to wait in the front lobby until their class time.
