

INVITATION TO BID

The Town of Clifton will receive sealed bids for a Town and Arizona Department of Emergency Management & Military Affairs Funded project known as the Town of Clifton Flap Gate Replacement Project. All bids must be presented on the prescribed forms included in the contract documents.

Sealed bids for the described work will be received by the Town of Clifton, 510 N. Coronado Blvd., P.O. Box 1415, Clifton, Arizona 85533 until April 1st 2019, at 2:30 p.m., after which sealed bids will be opened and read aloud. Proposals received after that time will not be accepted and will be returned unopened.

A Pre-Bid Conference is scheduled for 10:00 a.m. on Tuesday March 19th 2019, at the Clifton Town Hall. Prospective bidders are encouraged to attend.

LOCATION AND DETAILED DESCRIPTION OF CONSTRUCTION WORK UNDER THIS PROJECT:

The Town of Clifton is located within Greenlee County, Arizona. The Town is bisected by the San Francisco River. The area known as South Clifton is protected by a levee designed and completed in 1995 by the Army Corps of Engineers. North Clifton is protected by flood walls on either side of the San Francisco River. To allow drainage from the Town to the San Francisco River there are a series of drains which penetrate the flood walls. To prevent water from back flowing through the drains during high flows in the San Francisco River, the drains are equipped with either slide or flap gates on the downstream, or river side, of the flood walls. This project entails the removal of the existing flap and slide gates and the installation of flap gates, according to the construction plans, specifications, and manufacturer's recommended installation specifications. All project gates are located north of the Highway 191 bridge along the San Francisco River.

The Town of Clifton has a budget of \$95,000 allotted for this project. There is a total of 13 gates included in this project. It is requested that potential bidders identify which gates they can replace within the project budget.

Electronic copies of plans and Specifications for said work may be obtained from the Town of Clifton website or by contacting **David Powell of Bowman Consulting Group, 305 E. 4th Street, Safford, AZ 85546 at (928) 428-3898, dpowell@bowmanconsulting.com**. To submit a bid for this project all contractors shall notify David Powell and provide him with their contact information including their email address. Bidder's contact information will be used to send any addenda issued. The bid package minus the construction plans obtained electronically **SHALL BE PRINTED AND INCLUDED IN ITS ENTIRETY** as the bid submittal. Changes, addenda, and clarifications will be submitted via email and shall be included in the bid submittal as well.
