Dear HTM Scholarship Benefactors,

I'd like to take this opportunity to thank you for choosing me as a recipient for the HTM Scholarship Award. As anyone attending college knows the cost of fees, books, and materials can be very expensive. This scholarship will help offset these fees. It means a great deal to me that I'm being recognized for my hard work and dedication these past two years at St. Joseph's College.

This May, I will be graduating with my Bachelor's Degree in Hospitality and Tourism Management. Since I've transferred to St. Joseph's College fall '15, nothing but great opportunities have come my way. I was offered a front desk agent position at The Four Points by Sheraton, Plainview Long Island. I have been given the opportunity to study abroad in Greece for two weeks in June with my Sustainability Tourism class. I also have become the Secretary of the Hospitality and Tourism Club, as well as a member of Long Island SKAL.

After graduation, Samar Hospitality, the company I am employed at, has offered to train and hire me as a Social Sales Manager. This has always been a goal of mine since I became a hospitality student. I am ready for the challenge and the opportunities to come.

Thank you again for investing in my future, I will make sure to do my best in achieving my academic and career goals.

Sincerely,

Isabella D.
