January 2019

Dear Friends,

The Burlington City High School Music Department is beginning preparation for its 25th annual Ad book. Our Ad book helps to defray the student's cost to attend various musical events throughout the year.

In November of 2018, our High School marching band won its 2nd consecutive US Bands Group 1 Open Class National Championship. Previous Ad Book sales have helped our students to achieve this and other goals of participating in the BCHS music program. The students were absolutely brilliant in their performance and have represented us all very well so far this year. Our music students continue to demonstrate the highest levels of positive image, musicianship, and spirit as they prepare for their performance trips. Your participation in this support will be greatly appreciated and rewarded by the music students of BCHS.

The next Ad book will be distributed several times in March for our spring production of "Disney's: The Little Mermaid" as well as for concerts to be held in April and May. In past years we have distributed as many as 2000 Ad books at concerts and musical performances throughout the year. We plan to once again offer our ad book as an opportunity for you to have offer more exposure to our local communities and regional area, while also supporting the wonderful education and experiences and accomplishments of our music program students.

If you have participated in our Ad book in the past, we hope you will place an advertisement with us again this year! If you have never placed an Ad, please consider supporting the music department at this time by placing an ad.

Thanking you in advance for your support and consideration.
