## Attendance Policy

All of the rehearsals and performances on this schedule are mandatory. Band is a co-curricular class, therefore participation in these events is a graded part of the class. Instruction learned during rehearsals and performances cannot be attained without attendance at said rehearsals and performances, therefore, attendance at these events is essential for meaningful participation in this group.

To be excused from a rehearsal students must submit notice in writing or by email to Mrs. Laux at least **two weeks** in advance. To be excused from a performance students must submit notice in writing or by email to Mrs. Laux at least **three weeks** in advance. If you participate in a sport, choir, drama, etc., you will need to provide Mrs. Laux with a copy of your schedule for that activity with all conflicts to the Concert Band schedule highlighted by the beginning of December. It is your responsibility to communicate with both Mrs. Laux and your other coaches/advisors about conflicts so compromises can be worked out.

**Any student with more than 1 unexcused absence from mandatory rehearsal(s) will not be permitted perform at the next upcoming concert.** (Students will still be required to attend that performance as part of their grade, and will complete a make-up assignment as well). Mrs. Laux reserves the right to reassign students to alternate parts should absences become a problem.
