- Rich Sarcone brought the meeting to order at 6:40PM.
- The first topic of discussion was Carlyle, however for the benefit of our new members, Dennis Pennino gave a brief description of what Carlyle was all about. When completed Dennis went on to talk about the Carlyle tent and parking space rental proposal that we discussed at the last meeting. Rich Sarcone made a motion to move forward with the proposal and Dennis Pennino second it. Joe Covais will place the order with Carlyle.
- Our next topic was a discussion of next years car shows. The Auto Center wants us to return so it was decided to be our first show of the year with a tentative date of May 15 rain date May 22. Our second show will probably be in September. Details will develop at future meetings.
- Rich Sarcone proposed that one of our car shows be dedicated to the memory of Don Swallow. Don was so dedicated to Westchester Corvettes that he truly felt that the club members were his family, since he had none of his own. We will discuss the details at subsequent meetings.
- The next order of business was the Holiday Party. It was decided that February 5th or the 12th would work. The next step is to find a venue. We are hoping to have at least 50 attendees the consensus was that we should have at least that many. The details should be determined by our next meeting in January.
- We have been using Go-Daddy for all our e-mailing at no cost. We have been notified that hence fourth a fee of \$100.00/year will be levied. After some discussion Rich Sarcone made a motion to agree to the new terms. Joe Covais agreed and Eric Canova second, all those present were in favor.
- At this point Rich introduced a new member, Donald Beisley. Don is a car enthusiast owning a corvette and a 1929 model A ford hot rod. All members gave him a warm welcome.
- Rich Sarcone asked if anyone had any new business at which time George Ulley wanted to comment on the games dealers play with the price of new corvettes. George informed us that GM has a strict rule that corvettes are not to be sold over dealer list. If dealers do so, they will lose their allotment of corvettes plus additional penalties. He went on to explain some of the tricks they use to get

around this policy. So, for those who plan to purchase a new corvette be aware of this policy.

- Since no new business was brought to the floor Rich adjourned the meeting at 7:25PM.
- Our next meeting is scheduled for Tuesday January 4, 2022.
