### February-April 2026

Dear Bethany Family and Friends,

At the time you are reading this, we are almost a month into 2026. A month into those New Year's Resolutions (be honest, how are yours going), a month closer to warmer weather, and a month closer to the next major event on our church calendar. In a few short weeks, we will hold our Ash Wednesday Service, which kicks off the journey through Lent.

Lent is a time of reflection and sacrifice, in preparation for Easter and all that it represents in our physical and spiritual lives. For many, Lent is symbolized by resolving to give something up during the season. This looks different for everyone but here are some suggestions for Lenten Resolutions, courtesy of [ParticularlyCalled.com](http://ParticularlyCalled.com):

- **More Prayer:** This could be fuel for your call to mission, or part of a call to grow draw closer to Him. Your prayer will be different based on your season as well.
- **Better use of Time:** Our time is our most precious possession and how we use it shows whom we serve. Do we serve Him with our time? Or is my time mostly spent in service to myself? Or am I trying to serve people? or this world? Is my work more important than God? Or is God the source of my work?
- **More Silence:** This will look different for every person. For some it could mean not listening to the radio in the car, or changing the station to something more reflective. For some, it's a conscientious effort to stop complaining and to not speak at the same time as others, or to reiterate what they say, even if excited.

If you choose to come up with a resolution, we hope you are successful and we hope the sacrifices and reflections that come out of it shape you in 2026 and beyond.

# **Giving Back To Our Community**

## **Supporting Our Troops**

During the recent holiday season, our congregation collected a variety of personal items for local military members who are currently stationed near the southern border in Texas. Items included hygiene products, comfort items, and some snacks and drink mixes. The items were shipped out just in time for Christmas. Thank you to those who supported this project.

## **Feeding Our Local First Responders**

In early January, we kicked off a new mission project to support our local first responders. We will be providing meals to our friends at West End Ambulance and the Johnstown Fire Department. For the first one, Brenda Molnar and her sister made some delicious pot pie that got the seal of approval from our local heroes. These meals are a labor of love and a great way to thank those who protect and care for us each and every day. If you would like to volunteer to prepare a meal or help prepare one, contact a member of Session.
