

CC United League Rules

The League shall be governed by the following League Rules, which are considered an integral part of the By-Laws. These League Rules shall be reviewed and updated at the sole discretion of two-thirds (2/3rds) majority of the Board of Directors present at a meeting in which a quorum exists. In no event shall any of the League Rules conflict with Official Rules and Regulations of LMKII. In such event, the rules of LMKII shall govern.

Coaching Staff

There shall be no more than four certified coaches per team, with at least two female coaches. If a team elects to have less than four coaches, at least one must be female. All certified coaches must be an active participant in the development of the team. Should the need arise for any of the four to be replaced temporarily (due to absence or temporary suspension), any current certified coach, umpire, or the League Coach (or the League Coach's designee), can fill in. All coaches must be approved by the Board and certified annually by testing.

Priority consideration may be given to individuals with previous coaching experience within the League. In addition to following the *Coaches' Code of Ethics outlined in the LMKII Rules and Regulations Book*, the League Coach is directed by the Board to evaluate past league experience when reviewing prospective coaches. Following registration, the League Coach will present the names of the prospective coaches to the Board for approval.

The Board of Directors must approve all coaching assignments. The Executive Board shall have the power to discipline coaches (including suspension or revoking eligibility to coach in the League) for any behavior or actions contrary to the Rules or Bylaws.

Any use of profanity or behavior deemed unbecoming as a coach will not be tolerated. First offense MAY constitute a warning or suspension. A second offense WILL result in suspension. Length of suspension will be determined on a case by case basis.

Any coach who is suspended during the season MAY be disqualified as an All-Star coach in that season. Individuals who have been suspended in a previous season will be considered on a probationary basis only. Individuals with one (1) suspension, or who do not participate in the active development of their team may lose their eligibility. Individuals with more than one (1) suspension MAY lose their eligibility to coach in the League.

Parent/Spectator Conduct

No abusive or profane language including any obscene gestures or any form of bullying is allowed at any CC United LMK functions to include games, practices or such events. This pertains to any other parents, officials or any player from any team including your own child. First offense will constitute a warning. A second may include being banned from the facilities indefinitely. Being banned would entail not being allowed on the CC United property or at any events that the league is hosting away from the property, ie closing ceremonies. Deviation from this must be approved by a ¾ vote of the board quorum (currently present at said meeting). We strive to provide a positive and fun environment to all who visit our fields. Coaches are responsible to share this information with their team/parents, which will also be available on the league website.

Conflict Reschedules

Each team may request **one game reschedule per season**. Rainouts do not count towards this one reschedule. Rainouts will be rescheduled by the league scheduler and league umpire if weather and schedule allows. The request must be made known directly to the League Scheduler and the opposing head coach at least twenty-four (24) hours in advance of the originally scheduled game time; otherwise, it will be declared a forfeit. The opposing head coach, after reaching agreement with the other head coach, will be solely responsible for organizing with the League Scheduler for a newly scheduled game time. The newly scheduled game time must

be made with at least forty-eight (48) hours notice given to the coaches. Conflict reschedules count only against the team requesting the reschedule.

Note: Once the non-requesting coach specifies the date and time, the game will be played, forfeited, or resolved by a Mutual Reschedule or conflict reschedule (other team). No reschedules except for rain will be made in the last two weeks of the season. Also – a change in game date DOES NOT change other team assignments (e.g., concession duty, umpiring). These assignments will follow the game(s) they were originally scheduled to cover.
