

Spirit Walker Dream

Who is a SPIRIT WALKER? How to walk in the Spirit with the Lord

This is a report of a DREAM and the INTERPRETATION of that dream; I received on January 18, 2007. This dream was given to me to enable me to understand the importance of WALKING IN THE SPIRIT and the wonderful gift of HEAVENLY LANGUAGES [tongues]. This event has brought great revelation knowledge to me, and edification into my walk as a child of God and servant of the Lord; it has been one of the most important teachings I have ever received since I was Born Again.

I will first tell you about the dream. I received the dream, which left me wondering what it meant. I knew very well that the dream was from the Lord. It was one of the most vivid dreams I have ever had, and dreams have been the way the Lord has spoken to me many times in the past.

THE DREAM: "CLINGING DEATH"

I saw myself taking my parents to town to do some shopping. They were elderly and needed a lot of help, but in the dream they were somewhat younger and were more like they had been seven or eight years earlier. I took them to a store. After arriving, I parked the car and we went into the store. My father said to me that this would take a while, so I could look around if I wanted. I left them both, and wandered off, looking around the store.

Then, for some reason, I decided to leave the store and walk down the street, thinking to myself, I will return soon and help them back to the car.

I was walking along and I forgot about the time, being caught up in the sights. [This part of the dream was vague; I do not remember just where I was going or what I was looking for.]

Suddenly I was jolted back to reality, when I realized I had forgotten my parents. I looked at my watch, declaring to myself "What am I doing? By now, they are surely waiting for me and I need to go to the car." Turning around, I quickly started back to the place I had left my parents. As I was walking I saw a man lying on the ground to the side of the road. He was evidently a stone sculptor, for he was lying on a pile of stone chips. I noticed He had been working, but he was laying face up. He had a hammer in His hand. My attention was drawn to several stone sculptures that were scattered around the area. [I have come to understand something about dreams from God. A dream will generally have things that relate to you and your life so you will identify with it and understand its meaning. You see I have been a stone sculptor.]

He was a strange looking man. Small and stocky, like a midget and his head was very large compared to his body. His eyes were closed and he did not move. Walking over to him, I thought, is there something wrong? Has he fallen down or had a heart attack? He could be hurt. Looking down at him, I spoke, Are you OK? Can you hear me? Instantly his eyes came open, with a shy grin he rolled over toward me and quickly raising his hammer he attempted to hit my foot. I moved my foot just in time, and jumped back. By this time, he was on his feet. He spoke and said: do you want to pray? I was puzzled by that question and replied, Oh, are you a praying man? He did not answer my question but looked at me with a smirk. Then he said, Wait! I have something to give you. Turning around he went over to a wooden box sitting on the ground, opened the lid, and removed something. It appeared to be a roll of clear plastic paper rolled up and I could see what appeared to be red and white Christmas candy in the plastic. He held them out to me and said: here take them. I took them and looked at them. I heard him laughing, this jolted me and I told myself, something is not right here, I must get away from this guy, he is crazy. Thank you, I said, then turning around I continued to walk away as fast as I could with the candy in my hand.

Immediately, I felt his hands grab me around the waist, I tried to take them off of me, but I could not for he was strong. Then I realized that I was dragging him, and that he was CLINGING TO ME AS IF IN DESPERATION.

I felt a strong emotion of fear; reaching back I pulled him forward, so I could see his face. When I looked into his face, I have never seen a more frightening sight. He had turned very pale [all the color had gone from his face], as if he were dead. His eyes were sunken into his skull. I saw blood running out of them and also out of the corners of his mouth. On the sides of his head were holes. Out of the holes blood was coming out and running down.

In panic I looked to see if anyone was nearby, and I saw two men across the street. I called out, HELP, would someone call 911, it looks as if this man is dying!

Immediately I awoke from my dream. I jumped out of bed still feeling very frightened. I wondered what in the world it all meant.

At the breakfast table, Celeste said, I just heard a verse of scripture in my mind, and began to say the verse. I knew the verse to be from I Corinthians 15. Quoting it she said, "The last enemy that shall be destroyed is death." Sitting puzzled, I went back over the dream and said: Could the dream be speaking about someone dying?

I did not hear anything more that day, so I was left confused about the dream.

THE INTERPRETATION OF THE DREAM

The morning following my dream, I awoke at 3 am. Sitting up in the bed, wide awake, I knew the Lord was there and wanted to talk. I got out of bed, dressed, and went into the living room.

Immediately, I heard the Lord's voice and He said: I have come to tell you the meaning of the dream.

He began by saying; I will hide you in my secret place. The enemy knows where it is, but he cannot enter. He wants to control you and know all your thoughts, for this is a secret place and he is limited in his workings. You have the power to destroy him. He knows it and is fighting desperately for his existence.

A Spirit Walker is his greatest enemy. You saw him in your dream. He hates you. He said, "Do you want to pray?", then you felt him grasping to control you, but he cannot if he doesn't know what you're doing.

In the dream you were wandering, and out of control. You lost your way, and that is when satan put his hands on you. You saw his face that he was fighting for his life; for he knows his time is short. You and those who walk in the Spirit will destroy him!

PRAYER IS IN "THE MIND OF CHRIST". Let my mind be in you. We communicate in the mind and heavenly languages to confuse him [satan]. Even as it is in natural war, messages have to be coded.

[He began to explain to me about the Navajo Code Talkers, used in World War II, how they played a vital role in winning that war by sending messages in the very difficult Navajo language. The enemy could not read the language, so the message was kept secret.]

He stated: if the enemy knows your plan and strategic moves then he counter attacks. I will tell you in the Spirit things about the enemy and even what he does in secret. Revelation knowledge is your guide to understanding your situation.

When you hear things [words from me in the Spirit], DO NOT SPEAK OPENLY TO ANYONE ABOUT THEM, or you will reveal WITH YOUR MOUTH, secret war plans!

You will be told what to say. [What to speak with your mouth] The words of your mouth will be “SHARP SWORDS” and “POWER”. They will cut asunder the enemy.

You are not in war with people, but with forces in the spiritual realm. Put your hand upon your mouth or be destroyed in your plans. Move like a general with great responsibility. You are my general, and war it is.

He began to explain to me, that this would be a great and difficult task, and that it would require my utmost effort. Reminding me of a part of my life that I had forgotten, He said, remember your military service and the job you had in the confidential office? I do remember Lord, I said. Remember that you could not talk to anyone on the telephone about any of the confidential material? Yes, I do remember Lord, I answered. That is the way this is. You cannot talk to anyone about things that I tell you unless I tell you so. Do you understand, He kept saying this over and over, making sure that I had acknowledged this truth?

He told me to read James 3 on the dangerous tongue. Telling me: that when I control the tongue, you are perfect in battle. He explained that trust comes when I see you are to be trusted with secret plans and purposes. Do not talk of everything freely, only what I give you instructions to do and say.

OBEDIENCE IS ESSENTIAL TO VICTORY.

He explained in detail, that the reason He could not tell everyone everything openly, was because the enemy was always listening to gather facts, so he could go out and battle against your plans.

Keeping the secrets and not revealing them will be the hardest thing in your life to do. But you can do it, I know, because I have trained you to live in this arena.

I saw my past failures in this area, and how the devil had beaten me up over and over because of my tongue.

“You must begin to implement these principles now.” He said.

The following principles were explained to me concerning prayer:

Pray in the Spirit (tongues and silently in your mind. Pray in your mind and at the same time speak in tongues. This will enable me to bring you the answer and the revelation knowledge to understand.

Pray silently in your mind. You do not need to speak everything out loud, for the Spirit is within. He explained to me that when we talk out loud about all the things we need or think, then the enemy can take notes of all our specific needs and plans, thus finding ways to defeat us.

Praying in tongues is the Holy Spirit praying the perfect will of God. His will is revealed to us from the Father through these tongues. They are coded and hidden from the understanding of the devil.

The Holy Spirit then speaks in return, in a “still small voice” in your heart and reveals secrets and mysteries to you. This is the reason that He speaks in a still small voice. We as hearers must learn to listen to the Spirit intently to recover this instruction.

YOUR MOUTH IS A WEAPON

Use your mouth as a weapon. This was His instruction: when I speak out loud, speak only with authority. This speech becomes a powerful weapon to cut down, and push back the enemy.

Speak in tongues, then pause thinking, Lord please help me interpret these words. He explained that I should listen intently, and then there would be His voice coming up from deep down inside me. It would rise up inside of me, not from my mind but from inside my belly.

When you hear from God, than you are ready and prepared to go into battle with the spiritual forces all around you. You will begin to move as the arm of the Lord, for it is He that is moving you! Wow! What a tremendous truth.

He explained to me some more.....If there is no word coming up and all you hear is silence know this:

I. Continue to speak in tongues, pausing from time to time. Know that the Holy Spirit is communicating in Heaven [Father and Jesus]. It will come to you eventually when the Holy Spirit wants to speak to you, until He does speak, be patient and continue to speak in tongues. It says in John 16, that the Holy Spirit will only speak of that which He sees Jesus doing.

II. Continue praying in tongues [in the Spirit] until you feel a lifting, or the desire to speak departing. Peace will come to indicate everything is OK.

III. Ask your petitions silently. Tongues will come and go, and at times you will be praying in your mind and with tongues at the same time. [Praying with understanding and with tongues in the Spirit I Cor. 14:15]

The Lord told me to be ready for many to reject these teachings. He said that many will not understand or even believe these teachings are correct, and that they would call you crazy. Do not pay them any mind. Remember your mission.....Control your situation, and remember you have an enemy who would like to destroy you!

Paul said he spoke in tongues more than you all. This is why Paul was so great and had such great success.

He gave me three [3] verses of scripture to study.

Philippians 4: 5-9

“5. Let your moderation be known unto all men. The Lord is at hand. 6. Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made know unto God. 7. and the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. 8. Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. 9. Those things, which ye have both learned and received and heard and seen in me, do: and the God of peace shall be with you.”

James Chapter 3.

[Read the Word, I will not write it here to save space]

Colossians 4:5-6

“5. Walk in wisdom toward them that are without, redeeming the time. 6. Let your speech be always with grace, seasoned with salt, that ye may know how ye ought to answer every man.”

Revelation 12:10-11

“10. And I heard a loud voice saying in heaven, Now is come salvation and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. 11. And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.”

As a final word, He began to show me scripture about Jesus and how these principles were true in His life. This was confirming from the Holy Spirit to me that the above was true and that Jesus himself had walked in the above.

First He showed me John 7:46 “The officers answered, NEVER MAN SPAKE LIKE THIS MAN.”

He then reminded me of a teaching that had been given to me in the desert. The teaching is found in John 5:19-20: “Then answered Jesus and said unto them, Verily verily, I say unto you the Son can do nothing of himself, but what He seeth the Father do: for what things soever he doeth, these also doeth the Son likewise. 20. For the Father loveth the Son, and sheweth Him all things that himself doeth; and He will show him greater works than these, that ye may marvel.”

Jesus was a man, like us, when He was living on this earth. He followed this same example. He would go often into quiet places, early in the morning, and for days to pray alone. It was during these times that He heard the voice of the Holy Spirit teaching Him exactly what the Father was doing, and what He wanted Jesus to do. It is clear from these verses that Jesus also could do nothing by himself, but rather He had to do only the revealed will of His Father.

Prayer then, as the Lord was teaching in all of this revelation is SEEKING FOR AND FINDING THE PERFECT WILL OF GOD, then carefully walking it out on this earth. Of course I do not want to overlook that this time of prayer is a very INTIMATE TIME OF PERSONAL RELATIONSHIP WITH GOD.

Certainly by studying this revelation that came to me early in 2007, one can become in every sense of the word.....

SPIRIT WALKERS

Until recently, I have only studied and put into practice this teaching received in my dream with the interpretation.

I have been greatly blessed, to say the least, by this marvelous teaching. It has literally turned my life around, and my ministry has taken on new victory. I have begun to walk in the prophetic more and more. As I hear the voice of the Lord, I move out. It is wonderful to know that I am now moving in direct obedience to the very will of God for my ministry and life.

On November 8, 2008, the Lord instructed me to type my hand written copy of the words given to me in February 07. He instructed me to make this material available to those who are seeking to learn how to pray. At this time, He gave me the following two poems to place at the end of this paper. I will now share these poems with you. I was amazed and still marvel at the fact that the Lord is giving me prophetic poems. I believe they will be as great a blessing to you, as they are to me.

YOU SPIRIT WALKER....YOU!

**You will know and they will not know, because they hear not what you are told.
They are therefore left out, and cannot know at all.
You are master of every test, you are the best!
Because in the way you walk today, they are left out in the cold.
They cannot come in for I am here, standing in your heart door.
Protection is to keep them out, delivering you from all doubt.
And about the matter you know, keep it safe within your soul.
They will curse and run against the wall, because they cannot know at all.
You have the message in your heart; they have no keys to find it out.
You are the key to their great fall, and they fear and dread it all.
But try as they will to trip you up, hoping you will drop the word.
You will ever be walking tall, carrying your stick to strike them.
They are left out of it all, and they do not know at all.
Praise the Lord for the victory call, you walk and overcome them all.
You are bigger than them all, you SPIRIT WALKER.....YOU!**

WALKING TALL

**You are walking tall this day when you walk with me.
The enemy over which you stand cannot stand against you.
You are greater than them all, because together we walk.
So walk tall, you will never fall, YOU SPIRIT WALKER.....YOU!**

**Walk on into the Victors Stand; receive your crown you have won.
Delight yourself always in the Lord, you will always walk about.
You are more than conqueror over all, none can ever move you.
When forever you WALK TALL, [you will never fall] YOU SPIRIT WALKER....YOU!**
