Dear Cattlemen -

Welcome to our Annual Bull Sale. Come early and walk through our yards and view the bulls and heifers on display. Then come in our heated sale barn, enjoy a beef sandwich, and sit back and enjoy the auction on three large screens where you can make a great selection for your herd.

We have a great set of bulls to show you and with the Hereford and Angus genetics, we can produce the quality of beef that is in demand now more than ever. With today's cattle market, now is the time to use the best genetics you can find to improve your profit potential. The bulls are fed a diet with high roughage ensuring soundness and longevity. New this year 20 Angus heifers and 50 young Angus cows. They are purebred Angus and are bred to our herd bulls. Also selling is one open Hereford heifer show prospect and nine registered Hereford heifers bred to our new herd sire Bar JZ Vanquish, a low birth son of Valor.

With weather concerns you can bid online using The Livestock Link. Instructions are below. There is also a contact number if you need help.

We will be happy to take the time to show you any of the bulls before the sale. Just give either one of us a call. Thank you for your past patronage, and remember, we don't forget you once you load your bull out!

Hope to see you Friday, February 24, at 1 p.m. at the ranch, 37195 285th street, which is 2 miles west of Geddes, SD.

Mark and Dennis Gant

There's no mama like a Hereford-sired mama. Net income of \$51 more per cow per year and a 7% advantage in conception rate, compared to straight Angus females.* All this from a bull that is known for its fertility and easy-going nature. Hereford bulls — better mamas and no headaches.

Hereford — gentle bulls making black better.

We have chosen an outstanding opportunity for someone interested in showing a Hereford Heifer this summer. She is out of two Dam of Distinction dams and her sire is gaining tons of excitement while her dam continues to surpass expectations. Once she is retired from the show ring, she will continue to be a standout in your pasture.

BRED HEIFERS

PEN 1: LOTS 53-61 BRED HEREFORD HEIFERS

This fancy group of Hereford Heifers are going to add plenty of value to your herd and they are bred to an excellent heifer bull out of the leading Valor bull in the Hereford breed. All heifers were preg checked and are due to calve March 28. The heifers were poured last fall and in January they received their two scour shots.

KA-CHING.

MORE POUNDS. MORE CALVES. MORE PROFIT.

Hereford bulls increase net profit by \$51 per cow per year.

That's \$20,000 in additional revenue for a typical 400-cow outfit, thanks to increased fertility and herd size.

Herefords are also the efficiency experts, proven to add value to calves in the feedyard — \$30 per head in profitability.

That's real money and real results.
