This Friday, May 6<sup>th</sup> is the deadline to send in [Flood Preparedness Survey](#).

---

## **JOB ALERTS**

### **Superintendent Position**

Reclamation District No. 108 (RD108) is offering a great opportunity to join a progressive water district in the heart of the Sacramento Valley. Located approximately 45 miles northwest of Sacramento, California, the District provides irrigation water, drainage and flood protection to 75 square-milers of diversified farmland through an extensive system of irrigation canals, drains and pumping plants.

We are looking for a proven leader to fill the role of Superintendent. Position involves managing all phases of field operations, including a staff of 18, demands exceptional verbal and written communications skills, staff development experience, demonstrated leadership, budget experience, organization skills and an ability to further develop a positive, safe and efficient working environment. Qualified candidates shall have a minimum of five years supervisory work experience. A Bachelor in a related field is a plus. Salary will be commensurate with work experience and qualifications. RD108 provides a comprehensive benefits package.

Additional information and/or an application package can be requested at (530)437-2221 or [rd108@rd108.org](mailto:rd108@rd108.org). Applications should be submitted by **May 20, 2016**.
