

YEAR 3

HOME LEARNING

Hello Year 3,

We hope that you all had a good time celebrating VE Day the other week. We enjoyed seeing how you celebrated! We hope you are enjoying the learning that we have been putting on the school website for you. We miss you all and are looking forward to seeing you again, whenever that maybe. Here is some work for you to try over the week. Don't worry if you can't complete everything. It is just a guide for you and your adults at home. Have fun!

louise.glaze@hoppinghill.northants.sch.uk

kirsty.britten@hoppinghill.northants.sch.uk

danielle.nossa@hoppinghill.northants.sch.uk

You could let us know what you've been up to at home, share pictures of your wonderful work or just to say hello!

Stay safe and well,

Mrs Glaze, Miss Britten and Miss Nossa x

Week 18.05.2020

| <u>Day</u> | <u>Suggested English</u> | <u>Suggested Maths</u> | <u>Other curriculum</u> |
|------------------|--------------------------|--|--------------------------------|
| <u>Monday</u> | BBC Bitesize lesson | White Rose lesson | PE |
| <u>Tuesday</u> | Homework book | BBC Bitesize lesson | History BBC Bitesize lesson |
| <u>Wednesday</u> | Vocab Ninja | Homework book | Science BBC Bitesize lesson |
| <u>Thursday</u> | Bug Club | Maths Mission Activity | Computing |
| <u>Friday</u> | BBC Bitesize lesson | BBC Bitesize: Challenge of the week | Spanish |

Here is a weekly timetable with a suggestion of the activities you can complete each day. The information and more detail of these activities can be found underneath. Have fun!

YEAR 3

Maths

Your work this week involves:

1. Whiterose hub <https://whiterosemaths.com/homelearning/>. Please choose lessons from a year group that you think will suit your child best. This week, look at a lesson on Fractions.
2. Homework pages: For some of you, this will be pages **29-30** (Equivalent Fractions and Ordering Fractions) and for others, pages **18-19** (Fractions).
3. BBC Bitesize lessons - <https://www.bbc.co.uk/bitesize/dailylessons> Go to Maths and click on the lesson for **Tuesday 19th May: What Fraction is Shaded?** and look out for the maths challenges. **Friday 22nd May: Challenge of the Week.**
4. *Maths Mission Activity* – see separate sheet. The skills this week they are practising are telling the time and measuring length and mass.
5. Please continue to practise your times tables on ttrackstars, urbrainy.com or timestables.co.uk. You may have found a good website yourself so please tell us. **Don't forget to play against your teacher and classmates in the Arena on TTRS. We have now set it up so the whole of Year 3 can battle together (just click on the 'Year 3' tab)! Monday to Friday 10am – 10:30am See you there! It has been lovely to see so many of you join us!**

English

Homework pages: For some of you, this will be pages **14-15** (Phrases and Noun Phrases) and for others, page **41** (Compound Words) .

Have a look at Vocab Ninja for daily words. What are the words? Can you look for their definitions? Can you put these words into written or verbal sentences?

["https://www.vocabularyninja.co.uk/word-of-the-day.html"](https://www.vocabularyninja.co.uk/word-of-the-day.html)

BBC Bitesize lesson - <https://www.bbc.co.uk/bitesize/dailylessons> Click on the English lesson: **Monday 18th May – Fact and Opinion** and **Friday 22nd May – Reading Lesson – You're a Bad Man, Mr Gum.**

Choose 5 of the Year 3 and 4 spelling words and play games to practise them. (Please look for the info sheet on the Year 3 tab of the website for our dice game and the words!)

YEAR 3

Here are some Year 3 and 4 online spelling games to practise looking at suffix '-ation'

<https://spellingframe.co.uk/spelling-rule/12/7-The-suffix-ation>

Bug Club – choose a book that looks interesting to you. Read through it and don't forget to answer the comprehension questions as they appear.

Science

<https://www.bbc.co.uk/bitesize/dailylessons> Please click on the

link and find Year 3 and click on the Science lesson for this week: **Wednesday 20th May – Friction and Resistance**. We covered this topic months ago in September – what can you remember? Do you remember the investigation we did with ramps and vehicles?

History

<https://www.bbc.co.uk/bitesize/dailylessons> Please click on the link and find Year 3 and click on the history lesson for this week: **Monday 18th May: The Bronze Age**.

PE

At home see if you can follow these workouts – have fun!

<https://www.youtube.com/user/thebodycoach1>

<https://www.nhs.uk/10-minute-shake-up/shake-ups>

Supermovers: <https://www.bbc.co.uk/teach/supermovers>

Real PE – link on the website tab for each year group

<https://www.youtube.com/channel/UCokO71NW3TgndaSNyHlqwtQ> - This link will take you to different workouts and activities with a Superhero or Hogwarts theme. Enjoy!

Also, look out for Mrs Wardell's active challenges on Twitter.

Computing

If you have access to a computer, make a PowerPoint about something you are interested in – this may be your pet, your favourite celebrity, your hobby or anything else you can think of. Can you change the background? Can you change the transitions so that when you click through the slideshow, the slides appear in different ways? What other tricks can you use to make your PowerPoint fancy?

YEAR 3

Spanish

Play the Bubbles game to practise your numbers to 20, body parts, colours and many more things. There are two levels “Easy” and “Normal” so see what your highest score will be.

<https://rockalingua.com/games/bubbles>

Other Challenges

Google Earth challenge.

Find Northampton on Google Earth. Can you find Hopping Hill school?

Can you find your house?

Try to draw a map showing the route that you take from your house to school – don’t forget to draw on some of the landmarks (such as shops/pubs/ leisure centre) to make the route nice and clear for someone else to follow. Remember we learnt about ‘a Key’ on map in Geography.

Lego Challenge

Can you build a model of your bedroom? How much detail can you add?

Scavenger Hunt

There is an “Around the Home” scavenger hunt for you to complete (see separate sheet) if you would like to. Can you create your own scavenger hunt? It might be colours/alphabet/animals or anything else you can think of.

Helping Hand Challenge

Can you help to clear the dinner plates away and either wash them up or put them into the dishwasher if you have one? How many times in a week can you do this without being asked?

Creative Challenge

Can you build a den? How many people can fit into it? Is it strong enough to survive a storm?

Kindness Challenge

Give two compliments a day for a week – how do your compliments make the other people feel? How do they make you feel?

STEM Activities

- Can you create an unpopable balloon? See the separate sheet for the instructions.
Please ask an adult for help with this activity because it uses a sharp skewer.

YEAR 3

- Think up some silly products for example “a chocolate teapot.” This would melt as soon as you added hot water. Draw pictures of your ideas. There is a good song about this at:

<https://youtu.be/xOKr462HLc0>

- What can you find in your house that sinks in the bath or sink? Are there things that float? What do you notice? Can you sort them? **Never put anything electrical in water.**

There is a story about floating and sinking here: www.stem.org.uk/rxfdsu
