Dear Parent(s)/Guardian(s) of Valley Stream District #24:

Below, are some important dates to reference as we move through the 2017-2018 school year. All of the information below can/will be found on our website as the school year progresses:

www.valleystreamdistrict24.org. Please be sure to check in with our website frequently throughout the school year for additional information and updates.

Important Report Card Dates:

- Marking Period 2: January 26, 2018
- Marking Period 3: April 20, 2018
- Marking Period 4: June 22, 2018

Please note that the end of the grading period occurs the day before report cards are available on the parent portal. This allows the teachers the opportunity to finalize any assignments that must be graded and recorded, along with submitting the final grades for each grading period. While the parent portal will be open to the parent/guardian, the grades will be posted on the date mentioned above for each marking period.

Important Reminders for Parental Portal Registration:

- Please go to our district website www.valleystreamdistrict24.org and visit the parent portal
- By visiting the parent portal you can register by clicking on the eschool link, once connected follow the step by step prompts to register
- If you are having difficulty with registration please contact your school's main office, we will gladly walk you through the process (step by step directions of registration can be found on our website in any language)
- If you do NOT have access to wifi/computer/printer please contact your child's principal
- **Some parents will still receive an envelope from the support service staff on paper (Speech, Math, Reading)**

It will be necessary for you to register on the parent portal in order to receive your child's complete report card. We have hosted parent information sessions throughout the month of November, every Tuesday from 3:30-5:30. If you have any questions regarding our new parent portal registration processes we hope you will make an appointment in the months of December and January by contacting your child's school.

Thank you for your cooperation with our exciting new parent portal!

Sincerely,
