

STAR WARS OF THE SEEDS

The purpose of this illustration is to depict astronomically the verdict between the 2 'Seeds' given by YHWH in the Garden of Eden. The verdict was against Eve for having disobeyed the command to not partake of the Tree of the Knowledge of Good and Evil. The verdict was also against Lucifer for having deceived Eve. The disobedience of Eve however resulted in the fall from Grace of all of Humanity that would come forth from Adam and Eve. It was cause for Sin and Death to enter the Human Experience. Moreover, the condition would have the 'Seed' of both the woman, Eve and that of the Serpent, Lucifer struggle with each other for dominion or 'Crown'. This would include all those people in league with either Seed. This was the 1st Prophecy in the Bible given for all Humanity. Despite the harsh verdicts, the Prophecy to Eve provided hope and an outcome that would restore their broken relationship with YHWH and return to the Garden of Eden to partake of Eternal Life. This was accomplished by Jesus, as He was the Seed of the Woman that would struggle against the Seed of Lucifer right down to the end of Time, along with its People:

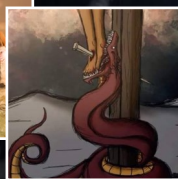

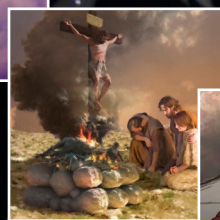

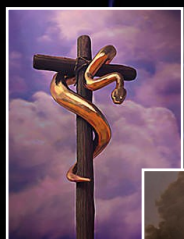

The Proto-Evangelium - Genesis 3:15 SEED OF THE WOMAN VS. THE SEED OF LUCIFER

There is an ancient Greek fable which calls Ophiuchus Aesculapius, the son of Apollo. Having restored Hippolytus to life, he was everywhere worshipped as the 'God of Health'. Hence, a Serpent entwined around him is, to this day, the symbol of the medical profession. This, however, is, doubtless, another perversion of the primitive truth that the Coming One, Jesus The Great Physician in overcoming the Serpent at the Cross, should become the Great Healer of all the sorrows of the world, and cause all its groanings to cease. To the Luciferians, Ophiuchus is the motif of their AntiChrist that is supported by the Snake. And his symbol is the Caduceus of Mercury, the God of Medicine, Money and Magic.

This is the depiction, astronomically of the Seed of the Woman and the Seed of Satan. It played-out at the Cross of Calvary. But this is only the 'opening act' of the storyline of the Celestial Stage that is playing-out in real life down on Earth. The end is yet to come with the triumph of Leo, the Lion of the Tribe of Judah. This will ultimately be realized at Jesus' 2nd coming, along with the raptured Bride.

Jesus, the Seed of the Woman destroyed Lucifer, or 'crushed his head' as YHWH foretold Adam, Eve and Lucifer would happen. And this 'scene' is also depicted in the Stars, astronomically. Primarily, it is seen with Ophiuchus, the Serpent Bearer and Scorpio. Ophiuchus is wrestling with the Serpent that seeks to reach for the Crown of the Kingdom. Ophiuchus is crushing the head of Scorpio in the struggle that has bludgeoned it red with blood. It is a mortal blow as Antares is the Giant Red Star that is positioned there at the head. But it is the stinger of Scorpio that is plunged into the heel of Ophiuchus and leads to his mortal death.
