**August 9th Program of Studio Fine 55 Arts Guild
Featuring Artist Carolyn Owen**

**"Gourds from Garden to Gallery"
Carolyn Owen's Website: Wildernessgourds.com**

The program will start at 1:00pm on Wednesday, August 9, 2017 at the National Avenue Christian Church, 1515 S. National Avenue, Springfield, Following the presentation, Studio 55 Fine Arts Guild members and visitors are invited to participate in an artist "show and share."

Mrs. Owen's presentation will include a display of her art, discussion about growing gourds as well as harvesting, drying and cleaning them. Also the tools used for cleaning, carving, and burning designs into the gourds will be shown as well as various methods of adding color and other embellishments.

Master Gourd Artist Carolyn Owen enjoys every aspect of the gourd from growing to transforming them into art pieces. The discovery of gourds as a creative media was the result of a life quest through numerous crafts and artistic endeavors.

She has been creating gourd art for about 13 years. Named gourd "Artist of the Year" for Missouri in 2012 and has won the "People's Choice award" two times at the Missouri State Gourd Art Festival and the "Best of Master's Award".

"I love to incorporate carving, wood burning and various ink dyes and techniques to enhance the natural beauty of the gourd. The possibilities are endless and the unique shapes and surfaces can be very challenging. No other form of art has held my fascination the way working with gourds has."
