Litchfield Park Pool Service LLC Limited Warranty for Repair Work

Litchfield Park Pool Service, LLC (“LPPS”) warrants workmanship for a period of 30 days from the date of the invoice for work performed. *The invoice for work performed must be paid in full.* Under this warranty, LPPS must be provided the opportunity to have one of its representatives assess any damage identified to be caused by LPPS employees. LPPS will warrant defective workmanship at no additional charge to the customer for labor.

If any part installed by LPPS becomes defective the manufacturer’s warranty applies to the part. The labor charges and/or additional parts needed to remove the defective part and install a replacement part are the responsibility of the customer.

This warranty is limited to the first retail purchaser, is not transferable, and does not apply to parts that have been moved from their original installation sites. We will complete this work in a reasonable time, but, in any case, within 30 days or less. However, LPPS is not responsible for charges or delays incurred when LPPS is unable to perform service due to lock outs, animals, service refusals, etc. No reimbursements will be made for loss and/or usage of water, fuel or other resources resulting from defective part(s). Product discoloration, or any other cosmetic or superficial damage or deterioration, regardless of its cause, is not covered by this warranty.

For warranty consideration, please contact LPPS during regular business hours at 623-935-5121 or e-mail contact-us@litchfieldparkpool.com. We will repair any faulty workmanship, and either repair or replace any defective part, at our option.

This warranty is void if anyone other than LPPS performs repair activities after it has been serviced or repaired by LPPS.

This is the only warranty given by LPPS.
No one is authorized to make any other warranties on behalf of LPPS
