

PEGASUS RAPTURE

ESCAPE AND DELIVERANCE

The Fish Riding a White Winged Horse

by Luis B. Vega

'Behold, I am coming soon, and My Reward is with Me, to give to each one according to what he has done. I Am the Alpha and the Omega, the First and the Last, the Beginning and the End. Blessed are those who wash their Robes, so that they may have the right to the Tree of Life and may enter the City by its Gates'. – Revelation 22:12-14

The purpose of this study is to consider several events that appear to be 'signaling' and/or nuances related to the theme of the Biblical Rapture. Specifically, the issues concern the new COVID-19 Variant named Omicron and the 1st Commercial Flight even made to the continent of Antarctica. The context of these 2 occurrences appear to signal an 'End Point' and will be examined in light of any possible Astronomical Motifs. And if so, how are those related events and/or occurrences directly connected to the possible timing of the Biblical Rapture event, if at all. Well, first of all, did one realize that the Rapture Motif is indeed depicted and encoded, Astronomically in the Heavens? If one contorts the Sky using a computer software like Stellarium, it can be determined.

When delineating the Heavens with the corresponding Celestial Gates at each end, the center piece or Constellation is Pegasus. This is the White Winged Stallion. It is this Motif that is pulling or trailing the 'Chained Woman', Andromeda to safety, as in a 'Rapture' from certain Peril by the Sea Dragon. And who is riding Pegasus? None other than the 'Fish' from Pisces. The orientation of this rendition of the Astronomical Rapture is going away from the Gate of Man, pertinent to the affairs of Mankind on Earth, as Pegasus rides in a speedy Gallup towards the Golden Gate. This is the Gate of GOD and entrance to Heaven. In this distortion of the Heavens, there is a rich tapestry of Biblical Motifs that decorate this Astronomical Deliverance as a Rapture type. It is of the Escape and of the Fish, that has been the Motif of the Church Age, the Age of the Fish.

How so? The depiction of the Pegasus Rapture construes a 'Visca Pisces', which in itself is an inference to a Deliverance, a Birthing as that is what will occur precisely at the point of the Resurrection and Rapture event. This Christian Fish Symbol, called the Ichthys is known more commonly then as Vesica Piscis. It was used to represent the strength of the Feminine Power that the Bride of Christ represents. The Motif is one of Multiplication as seen in the Miracle of the Fish and Bread that Jesus multiplied as 1 of His many Miracles. The Christian Fish Symbol means, 'Jesus Christ GOD's Son Savior'. Not to mention His Disciples, most of which were Fishermen. The Fish Motif even has ties to Christianity that go back to the time of Jonah, a type or Sign of Jesus, etc. And the Church Age though, has been one in which the Bound Woman, the Bride of Christ has been subjected to much suffering, persecution and 'binding' by the Enemy, Cetus.

Is There Peril Now to Warrant a Rapture?

In this case of the Astronomical Rapture depiction, the 'Binding' is coming from the Sea Dragon. But eventually, Andromeda will be transformed into the 'Enthroned Woman', Cassiopeia. Now, is there presently a 'Peril' that warrants a Rapture of Deliverance from Earth and why? Are any events or occurrences, here below on Earth signaling such Motifs of Peril and Danger against the Bride of Christ, in particular? If so, then they need to be examined and considered. This very issue or question came up by Andrea of the Revelation 12 Daily Blog and subsequently from Hmewrdbd. Why it has also been brought-up, has to do with the late November announcement that, yet another COVID-19 'Variant', named Omicron has been identified. Omi-Cron is a derivation of Omega, as in the 'Last' or 'End', etc. This is despite the Science that has proven that any subsequent Variant of a Virus is less potent.

And many are convinced, the original COVID-19 Strain has not been isolated at all. And it would stand to 'Science' that those supposedly 'Vaccinated' against the COVID-19 Variants would be 'Immune' from such less Strains. It is not the case and the reason for Boosters. COVID-19 Injections are not a 'Vaccine'. It is still Experimental. The Boosters only have the same formula or just more of the same 'Vaccine' that has not been effective, nor Safe. And in many cases, People are dying from the Injections or damaged by them to this day and counting. And those People who have recovered from COVID-19, and now have Natural Immunity in the millions are being ignored, which is not Science. So, with this background, Andrea researched the meaning of Omicron, and it was discovered that the Name represents the 15th Star in the Constellations.

That the 3 Constellations that the Article took note of were in Andromeda, Ceti or Cetus and Persei, or Perseus. As to Andromeda, it was further understood that in Astronomical Terms, the Constellation depicts the 'Chained' or Bound Woman. This delves into the Ancient Mythology of the Star's Story in that this portion of the Mazzaroth or Zodiac illustrates the Captive Woman who is about to be devoured by the Sea Dragon. And it is the Prince Hero, Perseus who saves the day by coming and having cut-off the Head of Medusa, whose central Star is HaSatan, Algol is used to turn the Sea Dragon into stone. Perseus then rescues the Maiden in Distress, Andromeda and carries her away on the back of Pegasus, the White Winged Stallion. So, why this connection with the COVID-19 Injections 'Omicron' and a Flight taking-off to Antarctica being intertwined with the Astronomical Signs? Good question.

As one who studies the Biblical Inferences to the Sun, Moon and the Stars, it is very Biblical to insinuate their meanings as certain events and/or occurrences on Earth might or do have a direct correlation to the Heavens above. As to what? Of how close to such meaning of the Stars have in relation to what is happening on Earth or is about to. Now, to qualify, many will scoff at this type of 'Study' or 'Interpretation' as 'Astrology'. Here is a brief distinction. Astronomy is the study of the Movements, Positions and Names of the Celestial Objects in the Heavens. Astrology is the Interpretation of such. Now, if the 'Glory' and focus is Man-Centered, it is 'All Vanity' as King Solomon stated of such type of 'Knowledge'. Now, if the Inferences and Interpretations are 'Christ-Centered' and glorify the Creator, as to bring People closer to Jesus, that is the difference.

Biblical Astronomy

It has been argued by many Theologians that the Heavenly Signs were put for such times and places; for the benefit of just that, signaling what is happening or is about to happen. Consider how in the Old Testament, Jacob had that vision of the Heavens opening and Angels ascending/descending on the Ladder to Heaven; and at the Gate was Jesus. Joseph was given a Dream about 12 Stars bowing down before him. Or of the Wise Men of Babylon who rightly Interpreted the Star Sign of the Savior and acted because of it. The question is, who was it about and who got the Glory? This is the Litmus Test. So, as to the Cetus 'Sea Monster' connected to Andromeda, the COVID-19 Shots and the Flight? Consider that at least 3 prominent Doctors have found the same 'Things' as they called it under the Electron and/or High-Powered Microscopes. Hydras.

Another name for Cetus is 'Hydra', which is the depiction on the reverse Pegasus Motif. They found that the COVID-19 Shots are consisted of 90% Graphene Oxide, which is essentially 'Liquid Metal'. Why? One is of the opinion, based on substantial research into Peer-Reviewed Journals, that the Human Body is being prepared to be infused through the Nano-Technology with such 'Bots' and/or 'Hydras' to take over the Body and Mind of Humanity. The book of Revelation is coming true, and it validates then all of the Bible. More sobering is then how 'things will end' for Humanity in such a Peril by a Dragon that comes out of the Sea, figuratively speaking, that the coming AntiChrist, etc. Thus, one does believe that there is a connection to the COVID-19 innuendo and to the Antarctica Flight, and thus to the Rapture. How so? The following will delve into the history of such a depiction, that in the Heavens, there is that very Imagery of a Rapture.

And it is the Rapture of Andromeda from the clutches of Cetus or the 'Hydra' that is binding the 2 Fish, Pisces. Could this be the Perils of the COVID Injections then? One had already done several studies of this Astronomical Rapture Motif found in the Sun, Moon and the Stars. It started around 2015 with the year of the Tetrad Blood Moons. With all the sensation about them, one asked the question. Where in the Heavens did these Blood Moons occur and why would they? One perhaps thought that the place and time could be Prophetically Significant. Now realize that the Blood Moons are regarded as 'Bad Omens' for Israel. In contrast, the Solar Eclipses are the same but for the Nations. So, from the very beginning, such a Tetrad was signaling to Israel and why?

One came to find out that the 4 consecutive Blood Moons, having all occur on either Passover and Sukkot, alternated in the same Constellation of Virgo and Pisces. This was monumental, that although the Sign was and is for Israel, the inference had a dual interpretation for the Body of Christ was well. How so? One was of the belief that the Tetrad Blood Moons that ended on a Super Moon in 2015, in Pisces signaled to Israel that they had a 7-Year Countdown left before the 70th Week of Years per Daniel was to begin. This is solely based on the 7-Year Sabbath Cycle Theory that one contends synchronized the Blood Moons to the Cycle, etc. But, that the Tetrad also put the Body of Christ, and more precisely, the Bride of Christ, the 'Andromeda', that the Rescue and Departure would soon also take places. And that most likely, it would occur in the same year of that Transition from the end of the Age of Pisces to Israel's 70th Week of Years. And what is the time frame for such a 7-Year Warning Countdown result in? The year?

A Big Picture

The supposition is that the 70th Year Generation started after Israel became a Sovereign Nation in 1948. But what, if instead the count started with the 1st 'Calendar Shemitah' or Sabbath Cycle of 7-Years after Israel had returned to the land, in 1952? This is the Bench Mark. And from that time forward, the 7-Year Cycles synchronized to ...2001, 2008, 2015 and then next one? Well, the 'New' one occurs in the Fall of 2022. As the Tetrad of 2014-15 alternated between Virgo and Pisces, these were and are exclusively the Ancient Motifs of the Christian Church. Although, there are echoes of how such Motifs are directly associated with events in the Old Testament and Israel.

It was later on discovered that exactly 1260-Days from the Start of the Tetrad, the Revelation 12 Sign occurred, which woke the Church up of the pending Rapture typology. The Sign of Pisces has been the Universal Motif of the Body of Christ on Earth for these 2000 Years. However, the 2 Fish have been bound by the 'Hydra' Sea Monster, Cetus, 1 Fish is going 'Up', 1 Fish is going 'Out'. This plays a crucial role in how the Rapture Patterns presented have occurred, and will, perhaps. Those prior studies of the Astronomical Rapture types, one seen in the Bible will be how the Rapture sequences are to continue and be carried-out, even after the Rapture event of the Bride of Christ. The Rapture Pattern were as follows, and perhaps will also.

1. *Elijah going Up, Elisha going Out.*
2. *Jesus going Up, Disciples (Church Age) going Out.*
3. *Church Age large 'Fish' going Up (Rapture), Israel Small 'Fish' (144,000) going Out.*

The other Hypothesis, one had and asked was in relation to the Total Solar Eclipse that happened right in the midst of the Tetrad 4 Blood Moons of 2014-15. And what was amazing about this Solar Eclipse was 2-fold. One, it occurred exactly on the Religious New Year of Nisan 1, on the Rabbinical Calendar. Then the Total Solar Eclipse occurred on the Vernal Equinox. And? One investigated and found that it was the 8th since Jesus. This 8-Count was the same for the total number of Blood Moon Tetrads that occurred specifically on Jewish Feasts, having been 8 with the Tetrad of 2014-15. And that since Christ, only 8 types of Hybrid Solar Eclipses ever are to occur, ending in 2023. Meaning? Evidently, the Number 8 conjures-up an inference to 'New Beginnings' and Noah. Evidently, the Creator encoded that, 'New Beginnings' that is about to dawn.

Or in other words, such Celestial Sequences have come to their 'End Point', their 'Omega' and a 'Flight' or Rapture is warranted. Why? It is because there is 'Clear and Present Danger' with the COVID 'Hydras'. Now this type of study is only looking at Types and 'Big Picture' interpretations. One cannot pinpoint the exact year, say when the Rapture event will occur. But Signs are clearly occurring with such themes as the Eclipse over Antarctica. It is inferencing the 'Debut of the Scorpion King' and coming up from the cold Under World, etc. And the mentioning about a 'Flight'? The intrigue and mystery continues in regard to Pegasus 'Taking Flight'. There is 'signaled' going on in one's opinion. Why? Another Revelation 12 Daily Contributor, Hmewrdbd shared a news piece about such a Flight to Antarctica. It was historic in that a Commercial Airbus made the 1st ever landing in Antarctica. And what was the name of the Company? Hi Fly. Is this not what will occur at the point of the Resurrection-Rapture event?

Meaning of Numbers: 23

It will be as 'Andromeda' takes Flight on the Wings of the Angels sent down to carry-up those gathered in the Clouds to see Jesus, Face-to-Face, a 'High Fly in the Sky'. Then the Bride flies away with Jesus, as 'Perseus' through the Golden Gate of Heaven. It will be at that time where she will then sit next to Jesus, the King of the Universe as the 'Enthroned Woman', Cassiopeia. As to the Charter Airplane? It was operated by Hi Fly using an Airbus A340. Now various Nations have their large Air Force transport planes in operation their but they have primarily been for 'Scientific Research'.

Yet, now such a flight will open the door for more Tourists and Cargo to be delivered to the Cold Continent on a much larger plane and scale. So, the Flight occurred on November 2, 2021 from Cape Town, South Africa. It traveled 2,500 Nautical Miles (2877 Miles). The flight carried 23 Passengers. Why 23, Biblically speaking? The Number 23 derives part of its meaning from the fact that Adam and Eve produced 23 Daughters according to Josephus. This has echoes of 'The Daughters of Adam', as a euphemism for the Humanity's condition due to Sin and 'Bound' to Satan, as Andromeda types.

Then Psalm 23 was written by King David, who wrote of YHVH's Protection, Guidance, Refreshment, Abundant Blessing, Promise of a Deliverance and Escape in the midst of a cold 'Shadow of Darkness'. It is as if he was walking in the 'Icy and Chilling Valley of Death that Antarctica could represent. And more sobering, what if the Bride of Christ will be experiencing this, in the 'End' as it had at its 'Beginning'. The Hi Fly Flight was just 31 days or 1 Month and 1 Day from the December 4, 2021 Total Solar Eclipse over Antarctica. Here one can numerically extrapolate an '11'.

In the Esoteric, the Number 11 signifies Rebellion, Chaos coming. And the 1's, being dual, are said to then define a 'Door' or Portal Gateway, in which such 'Rebellion and Chaos, will come through. But this is the same exact typology with the 2 Celestial Gates that construe the Astronomical Vesica Pisces of the Pegasus Rapture. It configures a 'Womb' or 'Doorway as that is how Humans then enter this World through, and will into Heaven with Jesus, etc. The following are some unique Mathematical coefficients subject to the Vesica Pisces proportion.

Vesica Pisces

Womb of Multiplication

[120 Cycles of Time x 50 Pentecosts] = 6000 Years

Fish caught 153 Code:

[153 Fishes - 120 Disciples when Holy Spirit came down] = 33

153 = 1 + 5 + 3 = 9 or (3 + 3 + 3)

153 + 120 = 273 - 265 = 8

(8 = Resurrection and 2 'Circles' of Vesica)

*Elohim Ha Ani = GOD-The-I
or 'I AM GOD'*

Vesica Pisces

Elohim = 40+10+5+30+1

Ha = 1+5

Ani = 10+50+1

TOTAL = 153

*Relationship between **153** and 3 (Trinity)*

1³ = 1

5³ = 125

3³ = 27

1³ + **5**³ + **3**³ = **153**

*Then **153** is the 17th Triangular Number*

1 + 2 + 3... + 17 = **153**

153/17 = 32 = 1 + 5 + 3

Then, interestingly, the name of the Pilot is Carlos. It is a Male Name of Spanish origin meaning, 'Free Man'. And is this not what will occur at the Rapture, wherein the Bride of Christ takes 'Flight' and will be 'liberated' from the Chains of this Earth's Scorpion King Pharaoh, Lucifer, the God of the Underworld? It will be an 'Exodus'. Now if such an event was deliberately orchestrated or not, the Flight had to be Chartered, which signifies a degree of planning and logistics. And being that Antarctica is a Restricted Air Space and limited to only Research Endeavors, it had to go through elaborate ranks to have the Powers-That-Be agree to it. Continuing in the '23' Passenger Biblical theme...

In Israel's day, it was a special group called by YHVH who were ineligible to fight. On YHVH's Command, Moses instituted to count all the Men in Israel who were 23 Years old or older. Jezebel, who was perhaps the most Evil Woman mentioned in the Bible is referenced a total of 23 times. Then Mordecai, on the 23rd of Sivan, with the permission of Persia's King, had a Decree written that gave the Jews Protection from Haman's Evil 'Mandate' for their destruction, i.e., COVID? Thus, the Number 23 conveys the meaning of a Conflict, and that which has to do with a State of War. And is that not what Christ told the Church, that the Gates of Hell would prevail over her?

Or the Apostle Paul that taught the Church who the real Enemies are and how to fight against them? Then, it was interesting where the Commercial Flight took off from, Cape Town. The original Name is The Cape of Good Hope. It is the Name given in honor of the 1st Portuguese that rounded the Southern Tip of Africa on their way to India. This innuendo speaks of Land's End or the Termination Point, an 'Omega'...or the End of or 'Termination Point' of the Church Age? And is it not the Rapture, the Blessed Hope that will occur at the end of the Church's Royal Commission?

The reality is that the down-trodden 'Andromeda' of the Bride of Christ that currently, although Redeemed, is still in the Body of Flesh. The Body of Christ is presently subject to the Terror, Diseases and 'Mandates' of the Evil 'Sea Dragon' Cetus that presently rule the World, but not for long. It is really no different than that of the Motif of Revelation 12 of the Woman in Labor about to deliver the Man-Child, but not before it is Raptured-up to Safety. So, are these 2 Earthly occurrences mere coincidences?

Blessed 'Cape of Good' Hope

To reiterate, the Carrier's name is 'Hi Fly'. This is exactly what will happen at the Rapture event. It is the Epiphany event where only those making-up the Bride of Christ will see Jesus as they are transformed into their New Bodies. The Dead will do this first. But realize that in such an understanding, it is the Body that is raised. The Spirit and Soul of a deceased Believer in Jesus is Face-to-Face in the Presence of Christ already in Heaven. Such just are waiting for the 153rd 'Fish' to be caught. Then they will be joining their Glorified Bodies as those that are 'Alive and Remain' go immediately after the Dead in Christ. Mind you, this all takes place in a 'Nano-Second. The Peoples of the World below will not see this event, or the Face of Jesus at this place and time.

People might witness the 'vanishing' of People and Babies but the Psychosis is so deep now with COVID that any explanation the Authorities will present will explain-away the phenomena. Now in contrast, it is at the Parousia or the 2nd Coming of Jesus where He will reveal His Face to the World. And this worldwide appearance, especially for Israel, above all the Nations will finally realize that Jesus was and is their True Messiah. And the whole World will marvel at the event as it will be witnessed and seen from the 'East as far as the West' is in the Sky. This will be the Sign of the Son of Man. And this is the time you do not want to see the 'Face of Jesus'. Why not?

It is at this time that He comes as the GOD of War to take vengeance for the treatment and condition suffered those Innocent of Humanity and especially by His Bride, 'Andromeda'. But that thereafter, she will be like Cassiopeia, the Enthroned Woman beside her King during the Kingdom on Earth and forevermore. Thus, are such occurrences that are taking place in the Heavens above and in the Earth below signaling that of the Bride of Christ, is about to 'Take Flight' and escape as the Fish riding on the back of Pegasus? Well, it is widely accepted now that the Astronomical Age of Pisces has come to an end.

It is just that close that the Rapture of the Bride of Christ is to coincide with the end of the Church Age, or its 'Omicron' Strain. Regardless, when the Pegasus Rapture does happen, it will be as a 'swift' Escape of the 'Bound Bride', that has been as Andromeda for over 2000 years. The Rapture event will occur, as it is even depicted in the Heavens based on the Vesica Pisces type of Mercator Space Distortion when the Constellations are set to each End Gate of the Cosmos.

So, the depiction of the 'Astronomical Rapture'? When will the Earthly one occur? This investigation has only attempted to show that the typology of the Rapture event is prophetically encoded in the Sun, Moon and the Stars. As to the timing of when the Church Age Commission is to end and thus when the Rapture of 'Andromeda' is to occur? That remain to be precisely understood. But as Signs in the Heavens Above like the Scorpion Solar eclipse occurs, the Hi Fly Flight taking off from the End Point to Antarctica, and the latest COVID 'Hydra' Injection having overtures of an 'End' or Omicron, then it would appear very interesting if not compiling that the continued 'signaling' is occurring for sure that could suggest a possible timing and nearness.
