**Holy Family & Sacred Heart Parishes**

Name \_\_\_\_\_ Grade \_\_\_\_\_

\*After completing each service project/task this semester, please return this sheet in a timely manner at the end of each semester (last class in January AND by April 20th in the spring.

Reflect after each **different** service as it relates to Gospel living, self awareness, insights or any new understandings you had. (What did I do? Why? Who does it affect? How? What did I learn? How does it affect my life, attitude, or behavior? What scripture passages relate?) If you did the same service several times, include all the dates, however, one reflection and signature is fine (ex. serving or choir).
