

In Response to COVID19

To Our Clients:

Here's what we are doing in our offices to honor the safety and health of each other.

We are cleaning our offices more and disinfecting anything that may be used by multiple people. When you enter and exit the office, **please use sanitizer.**

- Please minimize touching surfaces.
- Please **wash your hands** after you use the restroom.
- No more than 4 people are allowed in the lobby. If you see more than more than 4 people in the lobby, please wait until someone exits before entering.
- Wear a mask. If you do not have one. Disposable masks are available in the lobby.

If you are sick, especially if you have a fever, please stay home. We are happy to reschedule your session or set up a telehealth session.

Please contact your therapist about returning to the office. They may have specific instructions regarding safety while you are in the office.

Yours in Health,
TCFS Clinicians
