

Hello Union Members! My name is Mike Robinson, I am the AC for Region 21. This last month has been hard for everyone with the nationwide shut down and all this free time. As some of us have been remaining home safe, others are essential and still working. I would like to thank those of you who are considered essential working the frontlines, you are appreciated beyond belief. The weather is becoming nicer every day, I know you have been polishing up your bikes and are getting eager to ride. Hang in there, this too shall pass! Enjoy the time with your family, complete home projects and remain healthy during this time.

A few things:

- Region 21 is going to be organizing a Poker Run for the end of July. This is going to be an old school run....meaning you're on your own! There will be 6 stops and with a final destination. YOU MUST be present at the final destination to win!!!! At one of the 6 stops there will be hotdogs and waters provided to those who are hungry. I encourage everyone to participate and make this a fun opening gathering for everyone coming out of quarantine.
- We have not had a meeting in about two months, so there is no new treasury report for the month.
- Our monthly meeting will be held at The Blue Bar in Beal City, MI every Saturday of the month @ 4pm. We are hoping to see both new and old members in attendance.

I hope you all remain happy and healthy during this time. Updates on the poker run will be posted as government lock downs progress. Hopefully, we will be back on the road soon together! Until next time...

Stay Safe Friends, Michael Robinson, AC- Region 21
