“SPACE FOR GOD” IN THE SEASON OF LENT

Dear Children of God,

Each year during the Season of Lent we come to a time in our Christian journey of paying attention. The 40 days of Lent are a time of preparing our hearts to once again get ready for Easter Morning. There are many ways to do this. It is my hope that you will make a concerted effort to make Space for God during the Season of Lent this year.

Make Space for God and come to the Ash Wednesday service on March 6th described on the next page. You might decide to spend the season of Lent reading through the Psalms. If you read three to four Psalms a day you can read all 150 by Easter Morning. Or you could choose to read one Psalm a day in the morning and then reflect on it during the day. You could choose to read your way through one of the Gospels during Lent: Matthew, Mark, Luke or John. Go to <http://specialofferings.pcusa.org/oghs> to learn more about the One Great Hour of Sharing Offering, and then decide what you are able to give this year. There are many traditions for giving something up for Lent. You may choose to give something up that is cluttering the Space for God in your life or your family's life. Or you may choose not to give something up, but to give something during Lent, going out of your way and giving the gift of more space and time with God, or with God's people. You might also consider giving the gift of time to someone else ... through visits, by taking your children to some of our homebound members so they can share a visit together, by checking with one of our local missions to see if they need an extra helping hand, or you might call someone you know who is lonely and invite yourself over for a visit or invite them out to lunch. You can also read on page 4 about a retreat opportunity in April for a day away in silence when there will be big chunks of time for Space for God.

We will also make Space for God on Sunday mornings as the Sermon Series will be shaped by the book “*Space for God--The Study and Practice of Prayer and Spirituality*,” by Donald Postema.. Each week we will explore practicing the life of faith.

It is awfully easy to get stuck in ruts, it is also easy to miss new opportunities when they arrive if we aren’t paying attention.....Lent is the season for getting unstuck for God and God’s people! If you are looking for other ideas I’d be glad to help you explore ways that you can MAKE SPACE FOR GOD FOR LENT...and beyond! With you on the journey, Pastor Becky

WHERE’S PASTOR BECKY MARCH 29-30?

I have been invited to represent our Presbytery of Great Rivers at a Synod of Lincoln Trails event for those serving their presbyteries on the Committee on Ministry or the Committee on Preparation for Ministry (which I serve on). The intro to the event reads: “Presbytery leadership will be inviting 7 influencers from each of the eight presbyteries of SOLT, folks who serve on either COM or CPM. In total, you will be joined by fifty or more of your peers. That’s a lot of heart, mind and soul! SOLT will cover the overall cost of the event...Our keynote speakers are Dr. Mark Sundby and Ms. Mary Kay DuChene, both of Leaderwise, who will be speaking on the topics of "Caring for the Caregiver", "Calm in the Midst of the Storm" and "Saying No." We will also be worshipping together and learning in break out sessions from others who serve their presbyteries on the committees we serve on. If you need a pastor during that time please call Karol Ellison, Laura Brown or Aneita Buss (our new Clerk of Session) and they will get you in touch with the Pastor on call!

1 Corinthians 12:4-11 New International Version (NIV) says: "There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work."

They say it takes a village to raise a child. So too, it takes many to ensure that each of us has the best health care possible in every situation.

Wishing you all Health and Wholeness!
Laura Brown, RN
Parish Nurse

I will be out of town March 22-24.

March Sundays: 3, 10, 17, 31

Don't forget that Laura is available "on-call" during the week. You can call her at 309-314-5605.

ASH WEDNESDAY, MARCH 6TH, 7:00 P.M.

Join us Wednesday, March 6th as we begin the season of Lent. Join us for a contemplative service of worship, the Lord's Supper, and the "imposition of ashes," for those who so choose. The "imposition of ashes" is done with the ashes from the burning of last year's palms from Palm Sunday. They are used to mark the sign of the cross on our foreheads with the words: "Remember you are dust, and to dust you shall return." This is our reminder that God is in control and we are in constant need of Christ in our lives.

Come begin the Season of Lent with your Family of Faith. MARCH 10TH--THE FIRST LENTEN LUNCH AND LEARN

POTLUCK with an International Theme!

Please join us during this season of Lent for our first potluck of the year! If possible, please represent your heritage (or one you would like to claim) with a dish to share. Pastor Becky will use this as a springboard for us to share and learn about the diversity in our country and church. We hope you will join us and look forward to sharing a meal with you. I am thinking "boiled okra" as part of my southern heritage. Just kidding!

SUNDAY MARCH 24TH LENTEN MISSION AFTER CHURCH

After worship, please come to the Library where we will tie blankets for Project Linus giving children in hospitals and other transitions their own blankie. We'll also fill the Easter Eggs for the Easter Egg Hunt! Two ways to care for our community right after worship. There will not be a lunch on this day or donuts and coffee.

Getting Fleeced for Mission for Children!

Outreach and Mission need 1.5 yard of plain and kid-friendly fleece for the blankets. Blankets are two sided, so you may want to provide two 1.5 yard pieces -- one can be plain and one patterned.

We will be collecting fleece through March 3rd! If it is easier for you to provide the money for fleece you can make a donation and we will do the shop-

ping. Get fleeced this winter and help area children!

AN INVITATION TO A RETREAT AND SILENCE-- A LENTEN PRACTICE

Through the years you have heard me talk about spending time in Silence as one of my spiritual practices. I would like to invite you to try being in silence during a one day retreat. If it feels like life is always just too busy to make space for God, this is a way to clear out time to be with God, to hear yourself think, to spend time in nature and to have the luxury of time to listen and talk with God. Others have already done this and can tell you what it was like. You can contact Laura Brown, Jim Buche, Ella Layer and Denise Maxwell for more information.

**COME TO A ONE-DAY RETREAT, TUESDAY APRIL 11TH,
9:30 A.M. TO 3:30 P.M., DEPART AT 8:15 A.M, COST \$20.00**
“COME TO THE QUIET: CULTIVATING A SPIRITUAL PRACTICE”
OUR LADY OF THE PRAIRIE RETREAT, WHEATLAND, IOWA.

From the brochure: “An opportunity to enter a day of peaceful, spiritual refreshment. The day begins with a short reflection followed by a two-hour quiet time to use as you choose. After lunch will be another two-hour quiet time. The day ends with a short sharing session. Facilitated by Pat Shea.

I have attended one of these “Come to the Quiet” Days and would like to share them with you. During the silent time you can walk the grounds, walk the Labyrinth, work on your own crafts or writing in a private room or in the main room, take a much needed nap, read your Bible or a book, or however you decide to spend time with God. It is up to you to create how you will be in silence with God during these two hours. We then meet for conversation at a “farm-to-table” lunch around round tables with the other participants. Then you have another 2 hours in silence after lunch. Then the group gathers together for the closing when people can share, if they wish, the ways they have encountered God that day. There is no pressure to speak.

This “Come to the Quiet “ Day is coordinated by Our Lady of the Prairie Retreat and **you will need to register with them. I encourage you to do this soon** as the days do fill up. Once you are registered please sign up on Mission Central so I know if we need to carpool. I have room in my car for three others.

PARISH NURSE NEWS **Is There A Doctor In The House?**

When I make hospital visits, I sometimes hear the question, “Where is *my* doctor?” After all, you know and trust your doctor, and he knows you. But keep in mind that your doctor “knows” many patients, and relies heavily on your medical records, to which he may not be able to readily access. He or she is also limited by only so many hours in a day, often seeing over 50 patients in his office daily.

Hospital care has become more specialized, and in response, physician care in the hospital has also become more specialized. When you are admitted to the hospital, you most likely will be seen by a team of hospitalists, that is, doctors who specialize in caring for you while in the hospital. There is a hospitalist on duty 24/7 in the hospital, providing constant care for every patient. When indicated, a hospitalist will coordinate your care with your doctor.

There are benefits of being cared for by a hospitalist.

- A. Under the care of a hospitalist, the response time for health questions and concerns of the patient and family is much quicker than if the staff has to phone your doctor and then wait for his return call, which may come hurriedly, in between the doctor’s other patients’ office visits.
- B. A hospitalist knows every specialist and department in the hospital. This allows them to function efficiently when ordering tests and in coordinating care within other specialties.
- C. You will see a hospitalist daily, making sure that you know the plan for your care, and to educate you on your medical condition.

This is what you can expect from the Hospitalist Team:

- 1. The hospitalist will inform your primary care doctor that you have been admitted.
- 2. The hospitalist will supervise your care during your stay. Depending on the length of your stay, you may see more than one hospitalist. The Hospitalist team communicates your needs with the other hospitalists and your primary doctor to ensure continuity of care.
- 3. When discharged from the hospital, the hospitalist will contact your doctor to ensure a smooth transition.
- 4. If you do not have a primary care doctor, the hospitalist will refer you to one for follow-up care once you leave the hospital.
- 5. After discharge from the hospital, someone from the Hospitalist Team will contact you to ensure all aspects of your follow-up care plan is in place and to answer any questions you may have.

2ND FRIDAYS AT THE MOVIES
Fun, Food, Fellowship...And A Movie!
FRI. MARCH 8TH—6:30 PM—YOUTH ROOM

Movie: A Man Called Ove

This Subtitled Film (in Swedish and Persian) is a wonderful portrayal of our need for each other! And yes, the movie is almost as good as this amazing book was! From Rotten Tomatoes: Stepping from the pages of Fredrik Backman's international best-selling novel, Ove is the quintessential angry old man next door. An isolated retiree with strict principles and a short fuse, who spends his days enforcing block association rules that only he cares about, and visiting his wife's grave, Ove has given up on life. Enter a boisterous young family next door who accidentally flattens Ove's mailbox while moving in and earning his special brand of ire. Yet from this inauspicious beginning an unlikely friendship forms and we come to understand Ove's past happiness and heartbreaks. What emerges is a heartwarming tale of unreliable first impressions and the gentle reminder that life is sweeter when it's shared. " I highly recommend this story...come join us! Becky

PLEASE BRING a movie munchie to share and join the fun! *We decide on the next month's movie at the end of the night, so bring your suggestions!* **NEED A RIDE?** Call Pastor Becky

If you have questions about this retreat please give me a call. I look forward to some of you joining me for this time in silence...bookended by lots of good conversation in the car and at lunch!

Watertown Food Pantry News

It's March all ready and we are beginning our THIRD YEAR of operating the Watertown Food Pantry! Unbelievable and achievable only because of the generosity of volunteers and donations. FPCEM is at the top of the list for both and for this we are truly thankful and blessed.

We expect March to continue to be busy due to many factors including food stamp timing, high utility costs, and difficulty traveling to the stores. Churches United has even loosened their recommendation of one visit to the pantry per family per month to two visits if they are in need. Their Christ-centered goal is to lessen hunger in our area as much as possible. This of course means needing more food on the shelves to accommodate extra visits. We are working toward this goal and hope you will continue to help us meet this need.

Our ongoing needs aside from monetary donations are: toilet paper, bags of sugar, corn bread/muffin mix, any canned fruit or vegetables, canned **tuna**/ham/chicken, boxed dinner mixes, instant mashed potatoes, cereal - almost anything to make a meal. All food items must be within their "fresh date" per Churches United regulations. We buy fresh milk and eggs every week. (We can also use individually packaged toothbrushes or even those little bars of soap or bottles of shampoo and lotion you get at hotels. Nothing goes to waste!)

Again, thank you all for your support and prayers as we head into our third year of operation. Please feel free to ask any of us questions you may have.

Gratefully -
Mike & Pat Tyler

ONE GREAT HOUR OF SHARING—

70 years of Giving!

“You Shall Be Called Repairers of the Breach--Isaiah 58

Since 1949, Presbyterians have joined with millions of other Christians through One Great Hour of Sharing to share God’s love with people experiencing need. A gift to One Great Hour of Sharing enables the church to share God’s love with our neighbors-in-need around the world

by providing relief to those affected by natural disasters, provide food to the hungry, and helping to empower the poor and oppressed.

Recognizing that the hope we have in Christ is lived out in our hope for one another, we respond with gifts that help our sisters and brothers around the world find the hope for a brighter future.

There is a OGHS giving envelope in this newsletter and you’ll find them in the pews on Sunday mornings. On Sunday MARCH 10TH children will get their fish banks to collect during Lent!

AN IMPORTANT REMINDER FROM YOUR MISSION COMMISSION: THREE WAYS TO HELP! ON OUR 3RD SUNDAY OF THE MONTH MISSION—

The Mission Commission invites you to **#1—** bring food for the **Food Pantry**, and to **#2 —** bring aluminum pop/beverage cans to support the **Children & Youth Going to Church Camp**. Please make sure pop cans are rinsed out, and **#3 —** don’t forget to take off the pop tabs (and other kinds of pull tabs too!) and bring them to support the **Ronald McDonald House in Iowa City**. Please join us in our mission!

MEAL SITE MONDAYS THE 3RD MONDAY OF EACH MONTH

Our church serves the meal at Mt. Zion Baptist Church at 6:00 p.m. as part of the Churches United Meal Site Program.

3RD SUNDAY BEVERAGE CAN COLLECTION CONTINUES!!!

HELP OUR CHILDREN & YOUTH GO TO SUMMER CHURCH CAMP!

A Mission Project of the FPCEM Youth Group!

The collection of beverage cans for recycling will continue! The funds that were once raised for the First Day Fund will now help our Children & Youth go to summer Church Camp at Stronghold! So on the 3rd Sunday of Each Month just drop your bag of cans by the front walk and the youth will do the rest! (And don’t forget to save those Pop Tabs for the Ronald McDonald House ; just drop them in the House on the bookshelf in the library!)

BIRTHDAY KIT MINISTRY

The birthday kit ministry is still going strong and there is a great need for this to continue. However, we need your help. Would you please consider donating cake mixes, cans of frosting, birthday candles, plates, or napkins? The Youth Group Sunday school class participates in this ministry as well by shopping for the supplies and putting together the birthday bags. The birthday bags get distributed to families who come into the Watertown Food Pantry. Look for the big birthday cake, graciously made by Karen Paytash, to put your donations of supplies. Thank you very much!

Another Way to Help Our Community--PLASTIC BOTTLE CAPS

Have you heard of a Buddy Bench? The purpose of a Buddy Bench is to eliminate loneliness and encourage friendship on the elementary school playground. The Breakfast Optimist Club is collecting plastic bottle caps to help defer the cost of a Buddy Bench for a local elementary school. **DIRECTIONS FOR COLLECTING** are on table by the doughnuts. The recycle numbers listed refer to the triangular recycling symbol you'll find on recyclable plastic. Please check the numbers before donating as children will be sorting the 400 pounds needed for their bench. Please not plastic marked: 1, 3, 6 or 7. **The large red tote** by the puzzle in the library is waiting for your donations! Extra copies of this list are on the table by the doughnuts. Questions? Ask Pat Wendt or Mike Tyler.

A Note from the Finance Commission:

January Income = \$26,819

January Expenses = \$18,246

January income includes 2019 Pledges and 2019 Per Capita contributions that were paid in October, November and December 2018.

In addition, we received \$336.31 from the Souper Bowl offering. This will be used for Meal Site expenses.

Sharing in the Ministries of the Presbyterian Church U.S.A...

PER CAPITA = \$34.22

The Finance Commission invites you to give your per capita gift soon!

It's that time of year again, when your Finance Commission and your Pastor come to you to talk about per capita giving. Each year, at the beginning of the year, we pay a per capita fee for each of our members, based on the previous year's membership. This per capita giving allows for maintaining the basic operating costs of our Presbytery, the Presbytery of Great Rivers, plus the Synod of Lincoln Trails, and the offices of the General Assembly (the national church's headquarters). Per capita allows each member to share equally in the ministries of the larger church. Being connected like this is one of the gifts of being Presbyterian, we are a connectional church; we care for each other! You can put it in one of the envelopes in the pew racks and mark the outside "Per Capita". If you have questions, please talk to the Finance Commission Elders: Jim Barber & John Runburg or Pastor Becky.

Giving Care in the Parking Lot

As the weather gets colder, and ice and snow are added to the forecast, please pay attention to where you are parking when you come to meetings, gatherings and Sunday worship. If you are able, please park at the back of the parking lot, leaving those two front rows for those who find walking more difficult. Thank you!

Dear Special Friends,
You really do help restore my faith in humanity. As you can imagine, it is a continual challenge when we see so many vulnerable people and pets in need of our support compassion and love. Whether you donated to King's Harvest Ministries or contributed to King's Harvest Pet Rescue, you have generously given of yourself to help

people and pets in need. Being able to count on you to sustain our important work positively impacts the people and pets in our shelters and means so much to all of us at King's Harvest. Your generosity in 2018 made it possible for us to offer life-saving assistance and programs.

Sincerely, Terri Gleize, Executive Director

**THANK YOU FROM THE YOUTH GROUP! YOU DID IT!
YOU HELPED US WITH THE SOUPER BOWL OF CARING.**

Thank you to everyone who donated on Souper Bowl of Caring Sunday Feb. 3rd. You gave 80 items for the Watertown Food Pantry and gave \$336.31 in the loud offering for the Meal Site. You have made a difference in the lives of hungry people who are our neighbors. Thank you for helping us and them!

THANK TO PROPERTY MEMBERS: MIKE TYLER, PAT WENDT, AND NICK MARO The state gave us a new requirement for our elevator that took a lot of ingenuity and time. Thank you to Mike Tyler for the brilliant design and Nick and Pat for assisting in creating the wooden blocks that are now attached to each of our three elevator outside doors. These blocks prevent children from getting between the gate and the door...even though none of us can even imagine how this would happen. Thanks to this intrepid team of three we are now compliant with the new state requirement! Your gift of time and creativity is greatly appreciated!
