Day Three: Three Lagoon Kayaking and Gales Point Village Excursion: After a full breakfast launch your kayak, along with your trusted guide, into Buttonwood Lagoon and start scanning the water, mangroves and skies for rays, crocodiles and numerous species of water birds. - ~ \$85 USD/Two Persons: Boat Transport from Leaning Palm Resort to Old Belize Marina near Belize City (requires a short taxi from the marina to the airport not included in the price)

Terms and Conditions

- When you book a package, your tours are calculated at a “pre-booked” rate, which means we build our tour schedule around your package, so you can be assured of doing everything you want. We work hard to balance your activities with rest time and will send you an itinerary prior to your trip. Please understand that planning these itineraries takes a lot of coordination with a lot of different parties, so any changes you make to your itinerary will likely result in additional fees.
- Itinerary is subject to change based on resource availability, weather and other scheduling constraints.
- Sometimes you may feel like skipping a tour or a meal. That can be a great decision and you shouldn't feel stressed about doing every single thing in your package. Please understand, however that we staff and resource weeks and months in advance, so we cannot refund you for any cancellations.

- Belize has some of the most consistent vacation weather in the world and we almost always find a way to get our guests out on the tours in their package. Occasionally, however, we may have to substitute a planned tour for another because of circumstances beyond our control.
