### **Description:**

This in-service centers on the infant and toddler environment. Practical topics such as team cleaning, communicable disease transmission, cross contamination, when to clean, what to clean, what products you should use to clean with, as well as how to clean are discussed (from carpet cleaning to toy sanitizing). Federal and State compliance and as well as life safety issues concepts are also introduced.

### **Who should Attend?**

Administrators, Education staff, Nutrition, Custodians and Volunteers.

### **Session:**

Half Day Training at a location of your choice

### **Investment:**

Free quote! We are competitive and discounts are available. Handout materials are separate. Book early, limited dates available. Travel and other out of pocket expenses are borne by the client.

We make sense of the science and human factors affecting your child care facility.
