

As I prepared for today's devotion I felt led to express God's love to you. Today's devotion is for you and comes from the heart of God. I pray we can all embrace His Word today.

*My beloved Child—Trust Me. My desire is to answer you. My desire is to show you great and mighty things, that you do not know.*

*Trust Me- I have made you to have dominion over the works of the enemy and I have put all things under your feet. Walk upon these things that are pressing in on you. Walk in the truth of what I have spoke to you. It is possible, for with ME all things are possible.*

*Trust Me- I Am calling you to walk in the newness of what I have for you. Let all the works of yesterday go. Let all the hurts of yesterday go. I AM who I AM. I cannot lie. I will do what I have said.*

*My precious Child, hear this! Trust Me- I AM calling you to walk in the truth that you are not under law but under MY grace. My grace covers you. My grace shields you. My grace upholds you. My grace is never ending.*

*Trust that My grace and peace is multiplied to you. Trust that My divine power has given you all things that pertain to life and godliness. Trust Me that it is My glory and virtue that is at work within you.*

*Trust Me -I AM able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work. This is not just idle chit chat. These Words are life. They are My Words and My Words carry life. My Words will carry out My purposes.*

*I AM telling you, come boldly to My throne of grace, that you may obtain My mercy and find My grace to help you in your time of need. But you must COME TO ME! You must trust ME!*

*I AM the One who redeems your life from destruction. I AM the One who crowns you with loving kindness and tender mercies. I AM the one who satisfies your mouth with good things, so that your youth is renewed like the eagle's.*

*Trust Me that the thoughts I have towards you are of peace and not of evil, to give you a future and a hope. Let the truth of My Words wash over you. Let the truth of My Words cover you.*

*Trust Me that today is a new day for you. Yesterday is gone. Walk in what I have for you today! This is the day I have made, rejoice and be glad in it.*
