Apples	27 Apple predictions	28 Apple tasting	29 Apple trees	30 Parts of an apple	1 Making applesauce	Sight word review: The, of, and #3

September 2021

Dear Parents,

We have some fun themes planned for this month. We will start out with back to school and move right into all about me, family and friendship activities. Then we learn about apples. We also will be learning the sight words the, of, and for September. We will be introducing matman to kick off our Handwriting without tears program. We will learn the numbers 0,1,2,3. The colors black, blue and white.

Snack:

Please send in snacks the 1st week of the month. **It should be enough for 16 kids since this is a combined class of 3K and 4K.** Snacks must be a fresh fruit or vegetable and something else like cheese sticks, yogurt, granola bars, popcorn, pretzels or crackers. There is a refrigerator for us to store our snacks. We are happy to cut up the fruit or vegetables you bring in.

Please make sure your child has a change of clothes in their backpack. Also feel free to leave a jacket or sweatshirt to wear outside at play time. Remember it is cooler by the lake.

Please feel free to contact me with any questions you may have.

Ms. Amy
