Dear Friends

I am very pleased to announce an exciting pilgrimage/tour of the Eternal City; Rome, San Giovanni Rotondo, Monte Sant'Angelo, and more departing **February 28, 2025**. I have arranged for excellent guides knowledgeable in church history and deeply committed to the faith to give us inspiring and factual points of some of the most sacred places we hold as Catholics.

Sincerely,

Fr. J. Trigilio

Day 1 Departure Washington Dulles (IAD) to Naples (NAP) Friday, February 28

Early evening departure from Dulles International Airport to Capodichino International Airport in Naples, Italy.

Day 2—Arrival Naples Airport— Saturday, March 1

After our arrival, baggage claim and customs, we will board our motorcoach to San Giovanni Rotondo about a 2.5 hour drive. Upon arrival we will check in to our hotel. Some time to settle in a freshen up before taking the shuttle up to the village and visiting some of the sights today with your tour director. Then some time for prayers and mass before returning for supper. **Supper (included)** and overnight in San Giovanni Rotondo.

Padre Pio: "Every holy Mass, heard with devotion, produces in our souls marvelous effects, abundant spiritual and material graces which we, ourselves, do not know. It is easier for the earth to exist without the sun than without the holy Sacrifice of the Mass."

Day 3—San Giovanni Rotondo— Sunday, March 2

This morning we will begin with a guided visit of the Shrine of Saint Pio, the Gallery of St. Pio, Casa Sollievo Sofferenza (Hospital) and the historic center of San Giovanni Rotondo.

The Shrine of Padre Pio, the Church of Our Lady of Grace (Santa Maria delle Grazie). Here you can see his cell, his confessional, the crucifix from which he received the stigmata, and nearly everything he owned or touched, carefully preserved and labeled. Santa Maria delle Grazie (Our Lady of Grace) is a new church built during Padre Pio's lifetime (1956-59) to accommodate the many pilgrims and worshippers attracted to San Giovanni Rotondo. The east wall bears a splendid mosaic. Behind Santa Maria delle Grazie is the Padre Pio Pilgrimage Church, completed in 2004 and considered a notable example of modern architecture. In 1940, Padre Pio began plans to open a hospital in San Giovanni Rotondo, to be named the Casa Sollievo della Sofferenza or Home for the Relief of Suffering. The

hospital opened in 1956, and is considered one of the most efficient hospitals in Europe.

Tonight **supper (included)** and overnight will be in San Giovanni. *Mass in SGR.*

Day 4 – Monte Sant’Angelo / Cavern of St. Michael - Monday, March 3

Today we will have a full day's excursion to Monte Sant'Angelo. This quaint village made holy and famous to Christians by Saint Michael the Archangel who appeared here in the 5th Century for the conversion of pagans. It was also the site where the Crusaders came to pay homage before their

departures to the east. We will visit the Grotto of Saint Michael the Archangel, a pilgrim site since the 5th Century. The sanctuary has been a popular place of **pilgrimage** for many centuries: St. Francis of Assisi, St. Bernard of Clairvaux, St. Bridget of Sweden, St. Gerard Majella, St. William of Vercelli and six popes have made the pilgrimage here to ask for St. Michael's protection. **Mass will be celebrated in the grotto.** Lunch (on your own) and some free time in Monte Sant'Angelo. Supper (included), with wine, water and coffee, overnight in San Giovanni

Day 5—San Giovanni Rotondo / Rome -Tuesday, March 4

This morning after mass and breakfast we depart the Puglia region of Italy and head north east, our final destination Rome, the Eternal City. Along the route we will stop for a lunch break. We arrive in Rome in mid-afternoon, check into the Casa Domus Sacerdotalis, very close to the Vatican entrance. After check in, we will have a walk from the hotel to have an orientation of the area around the Vatican. Then some free time to explore a bit on your own. Supper included this evening will be in the Casa Domus.

Day 6 — Wednesday, March 5

Morning Papal Audience Afternoon Free

Vatican Square is only a short walk from the hotel where we will be staying. We will depart on foot right after breakfast as to clear security at the Vatican early and get our seats. It is best to arrive before the tour buses and crowds if possible. After the Audience you will have the balance of the day free.

This evening you will be on your own for supper.

Day 7 - St. Peter's Basilica / Vatican Museum / Sistine Chapel / St John Lateran / St Mary Major —March 6

At 22,067 square meters, St. Peter's is the world's largest church; regarded as one of the holiest Catholic shrines, it is a popular place of pilgrimage, even though it is neither the Mother Church nor a cathedral (San Giovanni in Laterano is both, as explained above). It is hard to grasp its proportions until you have seen it. Particularly impressive is its height, 136 meters from the ground to the top of the magnificent dome, the tallest in the world. According to Catholic tradition, the Basilica is the burial site of the apostle St. Peter, the first Pope and Bishop of Rome. St. Peter's tomb is said to be below the high altar. Many popes have been buried here since the Early Christian period. A church has been on this site since Roman Emperor Constantine the the Great. Construction of the present basilica, which replaced the basilica of the 4th century, began on 18 April 1506 and was completed in 1626. St. Peter's Basilica is also famous as a magnificent work of art, to which major Renaissance artists, including Michelangelo, Bramante, Raffaello, Sangallo and Giacomo della Porta contributed. Gian Lorenzo Bernini designed the ample staircase and elliptical square surrounded by columns, which "introduces" the basilica, with the façade by Carlo Maderno.

We will also visit the Vatican Museum and culminate with the Sistine Chapel. The Vatican Museums originated as a group of sculptures collected by Pope Julius II (1503-1513) and placed in what today is the Cortile Ottagono within the museum complex. The popes were among the first sovereigns who opened the art collections of their palaces to the public thus promoting knowledge of art history and culture. As seen today, the Vatican Museums are a complex of different pontifical museums and galleries that began under the patronage of the popes .

On your free time for anyone who would like to visit the Cupola: Not that many visitors know that it is possible to climb up to the top of St Peter's dome: it is a fantastic experience, and a great opportunity to enjoy a dizzying city panorama all around Rome and to admire a top down view of St Peter's basilica nave. At the entrance to the basilica, after the security check, there is a sign that directs you to the far right of the portico (past the Holy Door) and to the kiosk for the elevator. You can take the elevator to the roof level (saving 320 steps), but if you want to be on the top of the cupola you must take the stairs for the last portion (551 steps in total).

The entrance cost is Cost 7 Euros for elevator, 5 Euros for stairs. After the brief elevator ride (or the first 320 steps), before your climb to the dome, you can stop and enjoy the view from the gallery inside the dome looking down into the basilica . Take a few moments to absorb the astonishing beauty of the cupola from within, looking down onto the main altar.

Michelangelo himself designed this dome, which measures 135m (450 ft.) above the ground at its top and stretches 42m (139 ft.) in diameter. Legend has it that in deference to the Pantheon, Michelangelo made his dome 1.5m (5 ft.) shorter across, saying "I could build one bigger, but not more beautiful, than that of the Pantheon."

Carlo Maderno later added the dome-top lantern. The climb to the top of the dome proceeds through progressively narrower and sloping stairs. The narrow passageway can be uncomfortable if you are claustrophobic

Day 7—March 6 - Continued.

After a lunch break on your own, we will continue our day of Christian Rome by visiting St John Lateran and St Mary Major., two of the other major basilicas of Rome.

Later, we will transfer to the major Basilica of Santa Maria Maggiore in center city.

The largest church in Rome dedicated to the Virgin Mary, hence the name, and one of the first to be built in her honor, Santa Maria Maggiore is located on Piazza Esquilino, not far from the Termini train station. It is the only basilica among these four to have preserved the Paleochristian structure of the 5th century, even though it underwent several makeovers and additions externally. It closely resembles a 2nd-century imperial basilica, imposing in its aspect, perhaps to signify Rome's Christian future. Under the high altar is the Crypt of the Nativity, with a crystal reliquary said to contain wood from Jesus' crib.

Mater et caput of all Rome's and the world's Catholic churches, San Giovanni in Laterano is the oldest church of the Western World, founded in the 4th century by Constantine the Great. Dedicated to John the Baptist and John the Evangelist, it stands on the piazza by the same name, within Rome's city center. San Giovanni in Laterano is also the city's cathedral, seat of the Bishop of Rome. The basilica was reconstructed a few times until the 18th century, when the monumental façade, a two-storied portico supported by giant columns, crowned by 15 seven-meter-high statues, was redesigned.

This evening, **supper included** and overnight in Rome.

Day 8—Ancient & Monumental Rome—March 7

Today, after breakfast, we will begin our full day tour of some of the most important and popular sites of Ancient Rome.

that of the Italian Republic.

The Eternal City was the capital of the Roman Kingdom, the Roman Republic and the Roman Empire, which was the dominant power in Western Europe and the lands bordering the Mediterranean for over seven hundred years from the 1st century BC until the 7th century AD. The city is regarded as one of the birthplaces of western civilization. Since the 1st century AD Rome has been the seat of the Papacy and, after the end of Byzantine domination, in the 8th century it became the capital of the Papal States, which lasted until 1870. In 1871 Rome became the capital of the Kingdom of Italy, and in 1946

Coliseum, Located just east of the Roman Forum, the massive stone amphitheater was commissioned around A.D. 70-72 by Emperor Vespasian of the Flavian dynasty as a gift to the Roman people. In A.D. 80, Vespasian's son Titus opened the Colosseum—officially known as the Flavian Amphitheater—with 100 days of games, including gladiatorial combats and wild animal fights.

Capitoline Hill: The Capitoline Hill is the smallest among the seven hills of Rome. Even though it is the smallest it played a huge part in the religious and political aspects of Rome since the founding of the city center.

Pantheon: The Pantheon is the best preserved building from ancient Rome and was completed in 125 AD in the reign of Hadrian. Its magnificent dome is a lasting testimony to the genius of Roman architects and as the building stands virtually intact it offers a unique opportunity for the modern visitor to step back 2,000 years and experience the glory that was Rome.

As legend has it, Rome was founded in 753 B.C. by **Romulus and Remus**, twin sons of Mars, the god of war.

A people known for their **military, political, and social institutions**, the ancient Romans conquered vast amounts of land in Europe and northern Africa, built roads and aqueducts, and spread Latin, their language, far and wide.

Piazza Navona is one of the most beautiful and famous squares in the centre of Rome. In 86 CE, emperor Domitian commissioned this square with its unique, elongated shape. This shape is the result of **its original function as the stadium for athletics competitions (Circus Agonalis) with stands for 20,000 spectators.**

Piazza Navona::The main attraction of Piazza Navona is the trio of fountains that adorn the square. The central and largest fountain is the Fontana dei Quattro Fiumi (Fountain of the Four Rivers). It was constructed between

1647 and 1651 on request of pope Innocent X.

Spanish Steps: The elegant staircase of 135 steps was inaugurated in the Jubilee Year of 1725 by Pope Benedict XIII, originally used to link the Bourbon Spanish Embassy to the Church of Trinità dei Monti. The name comes from the

Day 8—Ancient & Monumental Rome continued —March 7

Fountain of Trevi: It is the largest Baroque fountain in the city and the most beautiful in the world. A traditional legend holds that if visitors throw a coin into the fountain, they are ensured a return to Rome. The *Trevi Fountain* is situated at the end of the Aqua Virgo, an aqueduct constructed in 19 BC by Agrippa, the son-in-law of Emperor Augustus.

Over time the legend of the Trevi Fountain evolved to **tossing a coin in to ensure a return to Rome**. The precise legend of the Trevi Fountain says you should stand with your back to the fountain and toss a coin over your left shoulder to guarantee a return trip to Rome.

This evening we will enjoy a “**Farewell Dinner with wine and music included**” at a local trattoria .

Much of today’s tour will be on foot, please wear comfortable shoes and clothing.
