

Ok shooter's, trap league is over, registered shoots are done for the year and the NCKTL is over for the year. Some of us still want to shoot! So, beginning November 3rd we're going to start a 4 week shoot.

Here's the schedule:

- November 3rd - 25 rds from the 16 yard line and 25 rds from a handicap at 22 yards.
- November 17 - 25 pair of doubles.
- December 1 - 25 pair of doubles.
- December 15 - 25 rds from the 16 yard line and 25 rds from a handicap at 24 yards.

Each day we will begin shooting at 1:00 PM. Don't worry the game will be on.

After the December 1st we will make the teams with the high and low shooter a team. Second high and second low shooter a team and so on.

Cost of the shoot per shooter is \$60.00. You can't use an average to win must shot all targets.

Unless the winds blowing 50 mph and the snow is coming down sideways, we will shoot.

Sign up is on November 3rd. Tell your friends and hope to see you there.
