

## Full of What?

*“And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fullness of God” (Ephesians 3:19)*

You may not look or feel valuable to the Kingdom of God, but you are. There is no condemnation in Jesus and you are free in Christ to be all He created you to be. However, many times we allow what we think we are to dictate what we are.

To be filled with the fullness of God, means you can be filled with as much you want to the point of fullness. To be filled with the fullness of God you have to make time to know Him.

This means you have to actively and willingly spend time focusing on Him to be filled. The good news is, His desire to help you be full of Him and you can't do this in your own strength.

Be encouraged friends, when God sees you He knows what the original looks like and what the finished you looks like! Only through Him can you overcome all difficulties, all tragedies, all sorrows, all heartaches and all that you “think” you are.

*“And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns”* Philippians 1:6 (NLT).

It is His delight for you to come to Him trusting that what He has started within you He will finish. To be full of Him is to emptied of things that work against Kingdom purposes in your life.

You are filled with the fullness of Him. He has given you the fullness of Him to walk this earth. Your relationship with God should be the highest priority. Your love for God should be the center of anything and everything you do in life. Your relationship with Him will help you operate in the fullness of Him.

He loves to fill you in ways you haven't encountered in Him before. You were created to be filled with the fullness of Him. When you operate in what you were created to do, things happen. He wants to fill you with more of Him today. He wants you to know Him better today. He wants you to be totally confident that He is who says He is, and He does what He says He will do.

You must feed on God's Word and embrace who you are in Christ and what He has done for you. Pump yourself up with the truth of God's Word until you are full of His Word for you. You can do this! Remember- In Him you live, move and have your being!
