- Focusing on repair and not enhancements in 2023
  - Muskrat pond damage is extensive
- Mowing
  - Grass will start to look longer because of seed
- Lake cleanup is needed
  - Hiring a few people to do that via boat
- Budget Approval (approved unanimously)
  - Budget for 2023 is approved and will be presented at the annual meeting in Sept.
  - Maintenance Budget
    - \$3000 for algae control
    - \$20,000 muskrat damage repair
      - Dirt, relaying rocks, potential other improvements to help further future damage
    - \$3000 muskrat trapping to reduce population
- Total in bank account: \$90,958.18
  - Not going to spend what was budgeted for 2022
  - Projects are taking longer because people will not quote jobs
