September 10th Board Meeting

The Directors voted to amend the Park and Pavilion Rules and Regulations to reflect the removal of the required deposit and to address issues encountered earlier this year such as vehicles on the grounds. The complete text is available for download on the Pavilion Reservation Page of our website or upon request from Signature Property Management.

The Directors also voted to add a couple of additional exceptions to our No Signs rule to allow homeowners to place “no trespassing signs” on their property and also allow contractors to leave advertisement after work completion. Please read Section IX, Subsection VIII, H for size, placement and time limit on signs place on your property. The complete Architectural Rules and Regulations (Section IX) can be found on the About Us page of our website or upon request from Signature Property Management.
