RE: PUBLIC ADJUSTERS – RENEWALS/APPLICATIONS

Beginning September 1, 2021, Oregon will no longer renew Oregon General Lines Adjuster Licenses if you hold a Public Adjuster License in your home state. You will need to get a DHS license in a state that issues a DHS license.

Effective immediately - Oregon will not accept applications if you have a Public Adjuster License in your home state. You will need to obtain a DHS license in a state that issues a DHS license.

If you have any questions please email us at web.insagent@oregon.gov
