Commander's Message

Greetings Legionnaires, Auxiliary, and the Sons of the American Legion! This is my first newsletter since my return as Post Commander and I look forward to completing what I started.

We are still celebrating the 100th birthday of the American Legion. Our country has undergone many changes and turmoil through these last 100 years, and today is no different.

As a reminder, in 1919, the American Legion was founded on four pillars: Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth. Each of these pillars encompasses a variety of programs that benefit our nation's veterans, its service members, their families, the youth of America and ordinary citizens.

The American Legion is a Member's Only Veteran's organization whose sole reason for existing is to help support the Veteran and our Community. We are here to support the Veterans of our country in any way that we can, to help better them. From helping the sick and needy, to helping new service members coming home looking for jobs and/or simply returning to family life, as well as, assist wounded Veteran's, their families and caregivers.

We're here to help those Veterans in need – old and young.

I've read where one of the hallmarks of a "team" is shared values – and this includes mutual honesty, trust and respect.

Since my return, I've noticed some things that need to be addressed. We need to work on our family behavioral skills. We are living through a tumultuous time in our society where we are inundated with social media-isms that can sometimes be rolled into our own personal behavior mechanisms that affect our actions. Here we are family and as a family, we need to rise above these outside influences. So as a reminder, we need to always be friendly and polite to everyone – Members and our Guests. None of our Members or Guests should feel unwelcome or uncomfortable in our Post. As a Veterans member's only group, we need to hold ourselves to a higher standard, because in the public realm we ARE held to a higher standard. And not get caught up in drama, gossip or rumors. Let them go in one ear and out the other, and don't perpetuate them – just let them go. Be responsible for your actions. Anything less undermines our ability to take care of the Veteran's.

We have a busy summer in front of us. We are working on putting together more social events, and we have a number of Holiday's coming that we can support. But we cannot do it without you, the members who selflessly volunteer their time and talents.

Lastly, I would like thank each and every one of you that work so hard to make our Legion home a better place, we couldn't do what we do without you!

Respectfully,

Chris Jensen

Commander
