\$1,299 (single supplement)

BOOK NOW 888.747.7501

India, the world's largest democracy, is known for its ancient history, magnificent monuments, friendly people and delectable cuisine. However, little is known about the tremendous advancements in medicine. Leading-edge technology, large capital investment by the private sector, superb training and considerable experience have made Indian physicians much sought after around the world.

Program Highlights

- 8-nights / 10-day journey to India
- Smaller group size and private guided journey will allow for a high level of interaction with your peers and time for networking with your travel companions and meeting hosts.
- **Accompanying guest program** is available.
- **Optional** extension to **Delhi & Agra** will be offered.

Focus on Healthcare & Medicine

- Establish connections with medical professionals in India during visits to **local hospitals** in Mumbai and Kochi such as T. N. Medical College, Nair Charitable Hospital & Jaslok Hospital and Research Centre.
- Learn about the **education pathway** for physicians, nurses, and other healthcare professionals as you visit with professors at the Amrita Institute of Medical Sciences and Government Medical College Ernakulam, (GMCE).

Local community & culture

- Giving back and engaging with the community face to face is an important part of your journey. Spend time with staff during a **visit to a rural school and village** in Kerala as you cruise through the Kerala backwaters on one of the region's trademark deluxe houseboats.
- Visit a **Tea Factory** that will give you an insight into the cultivation and processing of tea.
- Enjoy a **cooking lesson** with a local family at Philipkutty Farm to learn about Kerala foods.

Why Nanda Journeys?
Travel for people with purpose and passion. See for yourself what a difference travel makes.

Program Leader: **Rebecca Dean, MA, FACMPE**

Rebecca owns Management Solutions Integration in Fairbanks, Alaska. They focus on health care operations consulting, strategic planning, and leadership training. She is also CEO of Sportsmedicine Fairbanks (since 1987). She has a master's degree in Business Administration and is a Fellow of the American College of Medical Practice Executives, the first Alaskan to attain Fellow status from ACMPE (1994).
