Introduction

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It also can become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description, which will be mailed to you following your enrollment in the plan.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed below. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan due to one of the following qualifying events:

- Your hours of employment are reduced
- Your employment ends for any reason other than your gross misconduct

If you are the spouse or domestic partner of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan due to any of the following qualifying events:

- Your spouse or domestic partner dies
- Your spouse's or domestic partner's hours of employment are reduced
- Your spouse's or domestic partner's employment ends for any reason other than his or her gross misconduct
- Your spouse or domestic partner's becomes entitled to Medicare benefits (under Part A, Part B, or both)
- You become divorced or legally separated from your spouse or domestic partner

Your dependent children will become qualified beneficiaries if they lose coverage under the plan due to any of the following qualifying events:

- The parent/employee dies
- The parent/employee's hours of employment are reduced
- The parent/employee's employment ends for any reason other than his or her gross misconduct.
- The parent/employee becomes entitled to Medicare benefits (Part A, Part B, or both)
- The parents become divorced or legally separated
- The child stops being eligible for coverage under the plan as a "dependent child"

When is COBRA coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred.

The employer must notify the Plan Record-keeper if any of the following qualifying events occur: the end of employment, a reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

DISCLOSURES

Please refer to official insurance policy and plan documents for more extensive information concerning your benefit plans. In the event of any conflict between this guide and the official plan documents, the plan documents, policy and certificate of coverage will govern.

Nationwide: New Hampshire, Vermont, and Washington residents are not eligible for any of the benefit programs offered by The American Worker.

Minimum Essential Coverage (MEC): This Plan is designed to provide Plan Participants with minimum essential coverage under the federal income tax rules. While you are enrolled in this Plan, you will not be eligible for a federal tax credit through a federal or state exchange (sometimes referred to as the insurance marketplace). If you do not enroll in this plan, you may be eligible for a federal tax credit that lowers your monthly premium. If you do not enroll you may receive a reduction in certain cost-sharing if you enroll in a health insurance plan through the federal or state exchange. Please note that this plan is NOT minimum essential coverage for purposes of the individual health coverage requirements in MA.

Fixed Indemnity: This program is not intended nor recommended to replace any comprehensive program of insurance in which you currently participate, or intend to participate. This plan is not designed to replace or provide major medical or catastrophic coverage. This brochure is for summary purposes only. The insurance benefits of the fixed indemnity plan are offered by Nationwide Life Insurance Company. Additional information will be provided upon enrollment in the program. Plan exclusions and limitations apply. **Massachusetts residents** are eligible for the Fixed Indemnity plan, but this plan does NOT meet Minimum Creditable Coverage standards. **The Fixed Indemnity Plan is (a) not a substitute for minimum essential health coverage under the Affordable Care Act (ACA); and (b) does not qualify as minimum essential coverage under the ACA.**

Section 125 Disclaimer: I hereby elect to participate in the American Worker Plan for benefits made available under the Internal Revenue Code Section 79, 105, 106, 125, and these sections as amended. I understand that the plan will automatically convert to pretax status any eligible payroll deductions which are provided through the Plan. I understand that by participating in this Plan my Social Security benefits may be reduced since these premiums will be deducted before my salary is taxed. This election will remain in effect for the entire Plan Year. My election CANNOT be changed during the Plan Year in accordance with the Internal Revenue Service Guidelines unless a qualifying event occurs. Qualifying events include: marriage, divorce, legal separation, death of spouse, birth or legal adoption of a child, death of a child, or spousal change of employment affecting insurance coverage. By enrolling you have accepted the terms detailed above.

HealthiestYou is not health insurance and we encourage all members to maintain adequate insurance from a responsible provider. HealthiestYou is designed to complement and not replace the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. Physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs, or certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written.

Please Note: A separate claim form is needed for the Accident Medical & AD&D benefits. You may access the claim forms at www.TheAmericanWorker.com or by calling Member Services.

Accident Medical Expense: This is a brief summary of the Accident coverage available under this plan. The issued Policy contains the complete limitations, exclusions, definitions and plan provisions. Plan features and availability may vary by state. Full details of the coverage are contained in the Policy on file with the Policyholder. If any conflict should arise between the contents of this summary and the respective Policy, the terms of the Policy will govern in all cases.

Your Premium Only Plan—A Brief Description

A-1 Personnel of Houston, Inc. has established a Premium Only Plan (hereafter called "Plan"), which lets you pay for your employer-sponsored insurance premiums with pre-tax dollars. This is a tax benefit, the effect of which is to lower the cost to you of your premiums for employer-sponsored insurances.

This is a brief description of the Plan. The Plan is governed by an official plan document. If there are any differences between this description and the official plan document, the official plan document will govern.

How does it work?

The Plan is set up under Section 125 of the Internal Revenue Code and provides you with a tax benefit. This is how it works: A portion of your pay is withheld by A-1 Personnel of Houston, Inc. for the purpose of paying your share of your insurance premiums. The money withheld for premiums is not subject to federal income, Medicare, or Social Security (FICA) taxes, and in most cases, state and local taxes. Accordingly, you will save on most federal, state, and local taxes (the exact savings depends upon your tax bracket and your state of residence). Here's an example:

John earns \$2500 each month. His federal income tax bracket is 15%, his FICA and Medicare tax rate is 7.65%, and his Texas state income tax rate is 0%, for a total tax rate of 22.65%. His employer sponsors a health insurance plan, and employees must contribute \$300 per month to be covered. By paying for his portion of the premiums with pre-tax dollars, John's take-home pay only decreases by \$232.05 each month. John saves \$67.95 by paying for his share of the premiums with pre-tax dollars.

	If John pays for his share of his medical coverage with after-tax dollars	If John participates in the plan and pays with pre-tax dollars
Gross monthly income	\$2500	\$2500
Pre-tax deduction for employee share of medical premiums	0	\$300
Taxable income for the month	\$2500	\$2200
Taxes (taxable income multiplied by total tax rate of 22.65%)	\$566.25	\$498.30
Net pay for the month	\$1933.75	\$1701.70
After-tax payment of employee share of medical premiums	\$300	0
Take-home pay after employee contribution for medical coverage	\$1633.75	\$1701.70 (a savings of \$67.95)

Am I eligible to participate?

You are eligible to participate in the Plan if you are a full-time employee (i.e. employee works at least 30 hours per week) of A-1 Personnel of Houston, Inc. All full-time employees except those working for the City of Houston has to wait for 90 days before they can participate in the Plan. You are not eligible to participate if your employer determines that you are

- Self-employed
- An independent contractor
- A consultant or advisor

May premiums for my family's coverage be paid by Plan?

Generally, yes—but there is an exception. Under IRS rules, pre-tax dollars may only be used to pay for the premiums of someone who is your dependent, as defined under the Internal Revenue Code. If an individual is a dependent for purposes of your medical coverage but not a dependent as defined by the Internal Revenue Code, your payments toward that individual's coverage may not be paid with pre-tax dollars through this Plan but must be paid instead on an after-tax basis. You may want to consult your tax advisor for information about whether someone is your tax dependent. A-1 Personnel of Houston, Inc. may ask for information about the tax status of your dependents to ensure that you comply with the terms of the Plan.

How do I enroll?

You are automatically enrolled in the Plan when you enroll in our insurance plan. Your participation will continue automatically unless you elect not to participate.

Can I choose not to participate in the Plan?

Yes. To opt-out of the Plan, you need to complete a written waiver/election form and return it to A-1 Personnel of Houston, Inc.

How does participation in the Plan affect my other benefits, such as Social Security?

Participating in the Plan could slightly lower your Social Security benefit. This is because your Social Security benefit is calculated based on your taxable earnings. Participating in the Plan will reduce your taxable earnings and accordingly affect your Social Security benefit calculation. You may experience a similar effect on other benefits such as life insurance, disability, or pension benefits, depending upon how these other benefits define compensation. If these benefits, like Social Security, are calculated based on your taxable earnings, your participation in the Plan could result in lower benefits.

May I change my Plan participation?

Each year, we will have an open enrollment period during which you may change your participation to the Plan. During open enrollment, you may elect to participate if you haven't been doing so, you may cancel your participation, or you may make a change to your election—such as increasing your participation level to add a dependent to your medical coverage.

The following is a list of changes in status that may allow you to make a change to your elections.

- **Legal marital status:** Any event that changes your legal marital status, including marriage, divorce, death of a spouse, legal separation, and annulment.
- **Number of eligible dependents:** Any event that changes your number of eligible dependents including birth, death, adoption, legal guardianship, and placement for adoption.
- **Employment status:** Any event that changes your or your eligible dependents' employment status that results in gaining or losing eligibility for coverage. Examples include:
 - Beginning or ending employment;
 - A strike or lockout;
 - Starting or returning from an unpaid leave of absence;
 - Changing from part-time to full-time employment or vice versa; and
 - A change in work location.
- **Dependent status:** Any event that causes your dependents to become eligible or ineligible for coverage because of age, student status, or similar circumstances.
- **Residence:** A change in the place of residence for you or your eligible dependents if the change results in your or your eligible dependents living outside your medical or dental plan's network service area.
- **Loss of Other Coverage:** If you decline enrollment for yourself or your eligible dependents because of other health insurance or group health plan coverage, you may be able to enroll yourself and your eligible dependents in the Plan if you or your eligible dependents lose eligibility for that other coverage (or if the other employer stops contributing towards your or your dependents' other coverage);
- **Government coverage:** If you or your eligible dependents become entitled to or lose entitlement to Medicare or Medicaid, or lose entitlement to certain other governmental group medical programs.

Please note that in order to change your benefit elections due to a change in status, you may be required to show proof verifying that these events have occurred (e.g., copy of marriage or birth certificate, or divorce decree, etc.)

What happens if I take a leave of absence or terminate employment?

If you take a leave of absence, you may be able to revoke your election. See your employer about information about your rights. If you stop working for your employer, whatever the reason, your participation in the Plan will automatically terminate. This means that any premiums for insurance coverage after you stop working must be paid with after-tax dollars.

****Sign only if you wish to pay your health insurance premium with POST-TAX dollars****

Waiver of Pre-Tax Benefits

I elect to waive all pre-tax benefits under the Section 125 Cafeteria Plan. I understand that if I have enrolled for medical care coverage on a separate benefit enrollment form, I will pay the required contribution with after-tax payroll deductions. I understand that I cannot elect pre-tax benefits except and until as described below and any after-tax medical care coverage is outside the Plan. Prior to each Plan Year I will be offered the opportunity to make a new benefit election for the coming Plan Year. If I do not complete and return a new enrollment form at that time, I will be treated as having elected to continue this election to waive participation as indicated above.
