

Parents/Guardians,

Please help YouthNet continue its efforts to support the extracurricular needs of our students. Donations are graciously accepted and can be made online through PayPal on the YouthNet website:

sodayouthnet.org

or by check sent to:

**YouthNet - P.O.Box 15
Maplewood, NJ 07040.**

All Clubs meet at SOMS from
3:15—4:15

How to sign up for a club:

- 1) See the teacher in charge of your club to get a permission slip. Clubs are first come, first serve!
- 2) Bring your SIGNED permission slip back to your teacher before the second meeting.
- 3) Students may NOT leave the building between 2:45—3:15.
- 4) Clubs run from 3:15—4:15. Students must go to their locker before the club and will be dismissed from the back of the building. You must be on time to you club!!
- 5) Show up, have fun and enjoy!!
- 6) Student Pick up is from the back of the building ONLY!

Questions?? - Please contact Mr. Anthony Cienia
acienia@somsd.k12.nj.us

& run for 6 weeks.*

www.sodayouthnet.org

Monday

Get your Kicks" Soccer"—Ms. Corino

Increase your soccer skills by learning new drills and competing in small game settings. Gooaaall! *Rm 103*

All Steamed Up—Ms. Grant & Ms. MacPherson

Hands on engineering activities that encourage students to think creatively and work collaboratively to create original works of art. *Rm 120*

Wiffle Ball Club - Mr. A. Cicenía

Pitch like CC Sabathia. Hit like Derek Jeter! Field like David Wright & Curtis Granderson! Come learn the fundamentals of the popular backyard classic! *Rm 102*

Introductory Coding Club—Mr. Boone

Loved "Hour of Code?" This course introduces core computer science and programming concepts. Help the Angry Bird catch the Pig and help other characters get around different games all while learning computer logic. No experience necessary! *Computer lab*

Its Comical—Ms. Knasal

Unleash your inner creativity by learning how to develop your own comic book from scratch! Create your own superheroes, villains or develop your very own characters for your illustration masterpiece! *Rm 102*

Wednesday

Step Club—Ms. Harris

Bring on the noise, bring on the funk! Come join the step club and help us build a little "pep" for SOMS. *Rm 350*

Cross Fitness Run Club—Ms. Cahill

Ready to get in shape? Increase your heart rate, pump up your muscles and prepare for a 5k Cross country race!. *Gymnasium*

Making Rainbows —Ms. Butler

Come take part in the latest crafty trend sweeping the nation: Rainbow Loom Bracelet making! Make your yourself, a friend or send one to our Sister school in Uganda! *Rm 255*

Mine Craft—Mrs. Malespina

Come and create alternate universes and work together to create wonderful imaginative things in this hip new interactive game. *SOMS Library*

Vitamin D—Mr. Ezzo

Come learn the art of multicultural drum circles. No skill required and instruments to be provided! *Rm 285*

Thursday

Ecology Club—Ms. Abella

Discover the natural world in your own backyard! We will work on the SOMS' courtyard, bird watch, track animals and garden. The club's activities change with the seasons.

The Awesome Club —Mr. Keating

Through examples from TV/movies/pop culture/real life, students will collaborate to determine what makes up a well-rounded individual. Activities will include group discussions, watching video clips, listening to music, and

acting out scenarios. *Rm 269*

Shakespeare Club—Ms. Alloway

Explore William Shakespeare's plays through games, performance activities, improvisational acting, and movies. Come play with the lines, scenes and characters from a variety of Shakespeare's works! *Rm 265*

Friday

Hoop Heaven—Mr Salguero

Have dreams of being the next Michael Jordan or Candice Parker? Train and learn the skills of the pros to help you take those dreams closer to reality! *Gym*

Club Entrepreneur—Mr. Gregory

Come learn the foundation of our nations economy entrepreneurship.

Students will have an opportunity to learn the basics of owning and operating their own small business. In addition, Club Entrepreneur promotes important life skills such as, critical thinking, problem solving and communication. *Rm 348*

Advanced Coding Club - Mr. Keating

Want to know how Mark Zuckerberg and Bill Gates got started? Come learn how to actually write code. Learn how to create your own scenes and how to animate objects. Both key ingredients in game design. You'll also be able to work at your own pace and make your creations as elaborate as you want to! - *Computer Lab*
