

March 2020

Notes from the Supervisor

Hoping this finds everyone healthy and safe out there!

We are all working on a constantly changing schedule as new rules keep coming out daily. Everyone needs to stay safe and most have a different idea on what that means to them, so calling before you come down to the town offices is a good idea.

Taxes are still being collected here, however please drop them in the drop box just inside the outside door. Martha will now be collecting through April.

The highway department has been doing what is necessary, thanks to them and Rich for their diligence. You will see them out and about next week.

Barry was doing a fantastic job of installing the new meters, but right now that is stalled due to the quarantine.

The Police are on duty.

Unfortunately the town board had to make the decision that we will not open the pool this summer and therefore the camp program is also cancelled due to the uncertainty of the length of the state quarantine. We will be taking this opportunity to determine the repair needs for the pool and hopefully be able to complete them this year.

Volunteers are still needed for the Zoning Board of Appeals.

Most mornings I am in the office till noon. But feel free to call me at 534-5581 if you would like to speak other times. If anyone out there needs help, please let us know.

Everyone stay safe and lets pray it is back to normal soon.

Judi Hall
