Greetings! **The Arcadian Choral** is delighted to continue its mission of bringing great music into the community!

We invite you to celebrate with us by **placing an ad** in the program booklets we give out to our audiences. Your ad will run for the **entire 2024-2025 season**—both our fall and spring concert series. Our performances are held throughout the greater Monmouth, Ocean, and Middlesex area, providing many excellent opportunities to reach local residents with your advertising message—and demonstrate your support for the arts!

The Choral is one of the most innovative musical ensembles in NJ, receiving countless standing ovations for the excellence of its programs. It has appeared at **Carnegie Hall** many times performing some very famous works, including **Beethoven's 9th Symphony**, **Verdi's Requiem**, & the **NY premiere of Ermione**, a lost opera by Rossini. The group made its debut at **Lincoln Center** in 2010, singing the "**Concert for Peace**."

This season will begin with a special holiday program, "**The Hope of Peace!**" featuring Karl Jenkin's inspirational mass setting, *The Armed Man*, plus works on the theme of peace by various contemporary composers. Students from Matawan Regional HS Vocal Academy will join us singing holiday selections, plus Handel's "Hallelujah" Chorus. The concert will be in **Freehold on Sunday, Dec.15 at 4:00 PM** at St. Rose of Lima RC Church.

Your ad makes it possible for us to meet the expenses of bringing this fine music directly into our community. The ads are offered at very low rates---we're sure there's one to fit your budget. Four standard sizes are available, as demonstrated on the left, each offering an exceptional value. If you have questions about this advertising program or about the Choral, please contact us, & we'll be happy to assist you.

For a full view of our programs, we invite you to visit the Choral's web site. Note that the Choral is a **non-profit 501 (c)(3) corporation**, a member of the **Monmouth Arts** & of the **NJ Choral Consortium**.

We look at this as an opportunity to build a strong relationship between the community, its businesses, and its arts organizations. We appreciate your interest and support, and look forward to hearing from you.

Thank you for your support of community arts!!
