System Requirements to Use HD Boomerang

- **LED/LCD TV with at least 2 HDMI ports**
- **TV connected to a cable or satellite box**
- **TV is CEC-compliant. Most modern TV's with HDMI ports are CEC compliant.**
- **Have a DVD, Blu-ray player, Gaming or other media source which connects by HDMI.**
- **Will not work with Home Theatre Systems.**
- **Will not auto-switch streaming media devices like Roku, ChromeCast, etc., as these devices function by remaining on at all times.**
