

Rodger McKnight's Photos

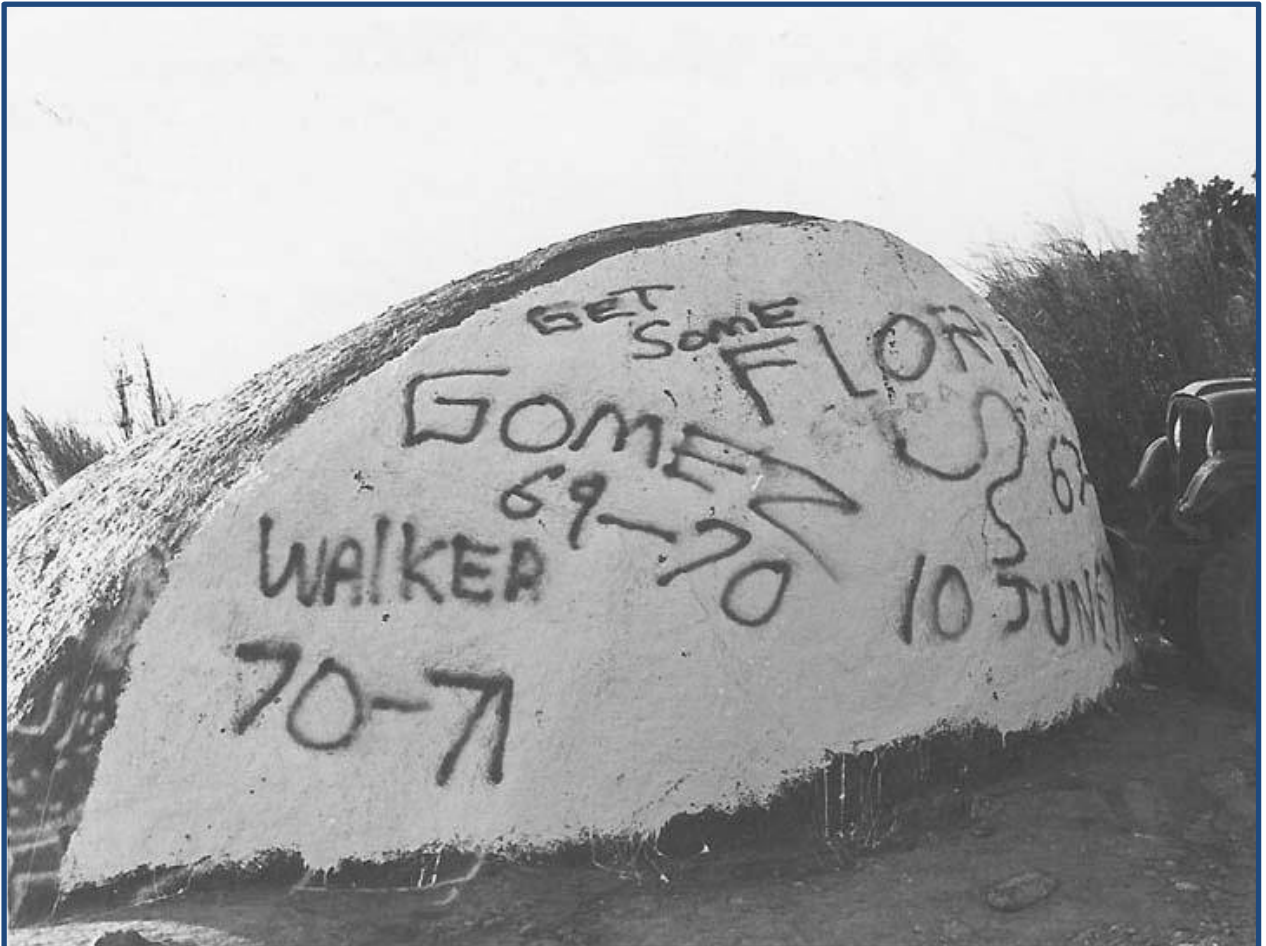

Photo #1 of 28

Best view in all of Vietnam from the
back of the station.

Rodger McKnight's Photos

Photo #2 of 28

Graffiti on Boom-Boom Rock
but they don't appear to be
anyone from AFVN.

Rodger McKnight's Photos

Photo #3 of 28

The remains of an American
jet on the road to and from
the station.

Rodger McKnight's Photos

Photo #4 of 28

Definately FUBAR (beyond all recognition) but the bullet holes look like they were made after the plane crashed.

Rodger McKnight's Photos

Photo #5 of 28

The view from the station
towards the harbor.

Rodger McKnight's Photos

Photo #6 of 28

Looks very much like a completed audio studio.

Rodger McKnight's Photos

Photo #7 of 28

The new control room
under construction.

Rodger McKnight's Photos

Photo #8 of 28

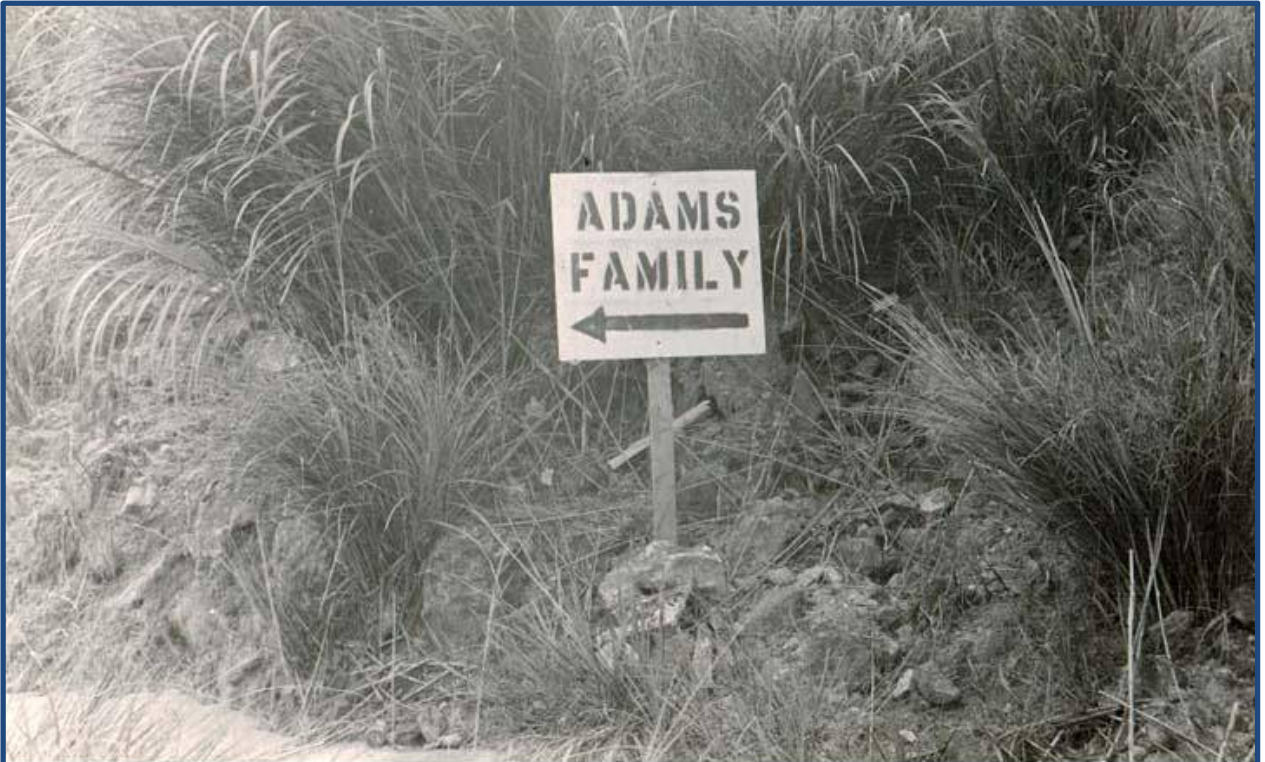

The new audio room under
construction.

The "industrial strength"
vacuum was a necessity.

Photo #11 of 28

Rodger
McKnight
with one of
Ampex 2"
video
machines.

Rodger McKnight's Photos

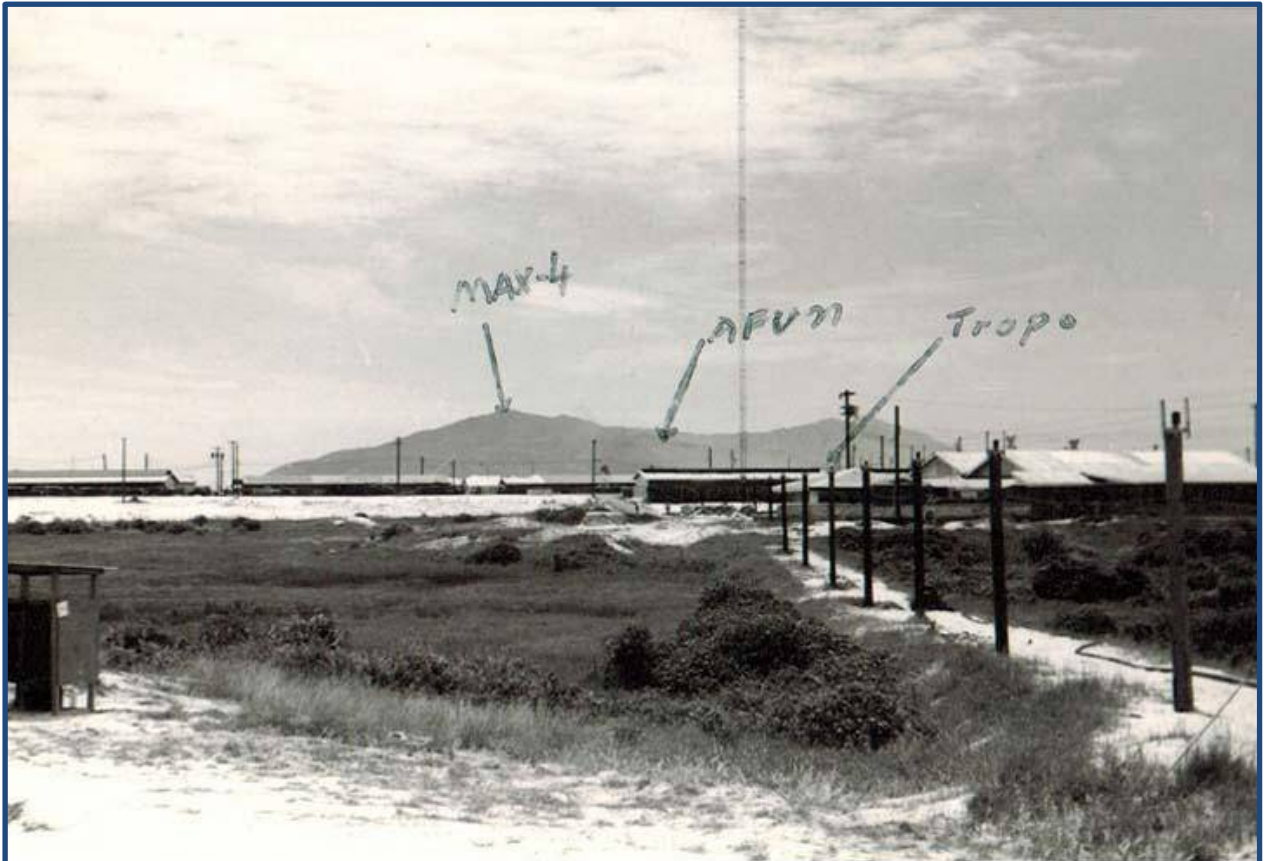

Photo #12 of 28

An ariel view of Det 2, AFVN,
about half-way up Monkey Mountain.

Rodger McKnight's Photos

Photo #13 of 28

The view from the transmitter site on Red Beach.

Rodger McKnight's Photos

Photo #14 of 28

It appears that at some point nearly everyone leaving AFVN got a copy of this photo.
