May 5th – 9th is Teacher Appreciation Week! This year we are having an “Bee” Themed week of appreciation. We have planned an easy daily acknowledgment for all our wonderful teachers and staff. Please note that you are not restricted to only doing the planned theme activities, and participation in any part of the week is totally optional. Please see the flyer included with this newsletter for more details.

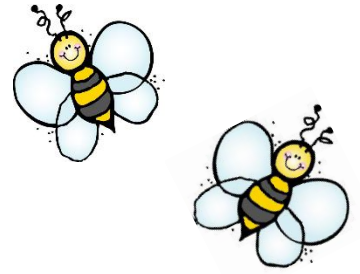

Happy Mother's Day to all our AMAZING moms and honorary moms! We hope you enjoy a relaxing Mother's Day!!!

Graduating Pre K Families should have received an email with information about the Pre K Graduation on Friday, May 30th. If your child is graduating and you haven't received the email, please contact the office so that we can re-send the information to you.

Please escort your child to drop off their belongings and always make sure to walk your child to their drop-off area and let a teacher know that you are leaving. Additionally, please do not let children run up and down the hallways alone, enter empty classrooms unsupervised, or exit the building without you. Please never allow students to open the door ahead of you! The parking lot can be busy with heavy traffic. Safety is our top priority, and we always want the students with an adult.

Thank you to our
Teachers & Staff
for BEE-ing
the Sweetest !

Monday – *buzz buzz buzz* on over to your teachers to give them a note or picture to tell them how much you love them!

Tuesday – Our teachers are *sweet as honey*... bring in a sweet treat to keep them moving through the day!

Wednesday – Word around the *hive* is that we are crazy for our teachers! Wear mix-match clothes or crazy hair to school to show them just how crazy we are about them!

Thursday – *Bee* kind and give your teachers a hug or high five as a thank you for all they do!

Friday – Our teachers are *busy bees*. Bring them a salty or savory snack to get them *flying* into the weekend!
