**Class Description**

Munchkin music is a class designed for the early exploration of music. Children ages 3-5 can be in the Munchkin Band and experience a variety of instruments, read music, sing, dance and learn to play music together. This is a great primer for the beginning musician to progress into private lessons. Small group classes of 2 to 6 children! Providing the youngest musician with the tools he/she will need to have a life-long relationship with music. Explore the fundamental concepts of music: tempo, dynamics, notation, and reading, playing together, arranging, improvising, and listening. Sing! Dance! Perform! A great prelude of music knowledge for the young musician.
